SUBJECT: Reimbursement of TPAF and Social Security – School Year 2010-11

N.J.S.A. 18A:66-90 provides that each local board of education shall reimburse the State of New Jersey for the employer's cost of pensions, group life insurance, social security and other benefits to the Teachers Pension and Annuity Fund (TPAF). This applies to the contractual salaries of TPAF member employees paid from federally financed programs.

The attached *Reimbursement to State of New Jersey – N.J.S.A. 18A:66 Form*, shows a pension rate of 6.99%, which is lower than the estimated rate that was stated in the memo of January 28, 2011 and the social security rates. If an employee has not paid contributions to the TPAF during the year, no reimbursement is due. You must report pro-rated federal salaries for split or partially funded employees. Negative reports are required. To complete the reimbursement report form, you will need to multiply the totals in column 4 by the percentages in column 5 and extend to column 6. Please retain all computations of amounts reported for audit review by your public school accountant. The *Reimbursement to State of New Jersey – N.J.S.A. 18A:66 Form* is also posted on the Department's website at: www.nj.gov/education/finance/.

Please send your check, made payable to: Treasurer, State of New Jersey, for the total amount due on line C, along with the original copy of the report by **October 1, 2011** to:
