

New URL for the EWEG System

ALERT

Please be advised that the connection difficulties experienced by some users when accessing the URL <http://njdoe.ewegp.mtwgms.org/NJDOEGMSWeb/logon.aspx> appear to be resolved at this time.

The root cause for these difficulties stemmed from the fact that numerous domain name services (DNS) had not received updates that pointed correctly to the new EWEG address. Unfortunately, this situation was beyond the control of both the NJDOE and its vendor. It is anticipated that the remaining DNS updates will be completed automatically within the next 24 to 48 hours.

In the interim, if you continue to experience connection difficulties, please e-mail the EWEG Help Desk at: eweghelp@doe.state.nj.us.

Thank you for your patience during the transition to the new URL.
