SUBJECT: Verification of EVVRS Data—Deadline July 29

The purpose of this memo is to remind you that Electronic Violence and Vandalism Reporting System (EVVRS) data for the 2010-2011 academic year needs to be verified by July 29, 2011. A review of the EVVRS indicates that 440 districts and charter schools have not yet verified their data. Please be sure to verify your submission electronically, even if your district has zero incidents. Fax Back Forms are not being accepted as verification this year.

The verification process was outlined in my letter dated July 14, 2011. Once your agency's data is officially verified, please authorize your EVVRS user with district-level permission to notify us by using the verification button found by selecting *EVVRS Adm. for Deleting Incidents & Finalization Section* on the EVVRS Welcome page at <http://homeroom.state.nj.us/EVVRS.htm>. Please note that once the EVVRS data has been verified, no further changes can be made.

If you have any questions, e-mail us at evvrs@doe.state.nj.us or call Greg Kocher, coordinator, evaluation and data collection at (609) 292-5935.
