SUBJECT: School Register Summary

This is to notify you that the School Register Summary (SRS) and associated Technical Manual are now available on the Web-enabled DOENet. The SRS data is due in to the State Department of Education on July 15, or 5 days after the close of the school year, whichever is later. Please keep in mind that due to the discontinuance of the Fall Survey, there will no longer be a preload column in the SRS. The associated edits which compared Fall Survey data to SRS data have also been removed.

The following link will take you to the Web-enabled DOENet website for downloading the Web-enabled DOENet software, the 2010-11 School Register Summary software and the School Register Summary Technical Manual.
