SUBJECT: New Jersey Office of Information Technology Broadband Survey

Attached please find a request from the New Jersey Office of Information Technology (OIT) for all schools to respond to a survey that will help create a map of broadband services available in New Jersey. The broadband map is funded by an American Recovery and Reinvestment Act (ARRA) grant, and your participation will help New Jersey apply for future grant opportunities.

Please forward this request to all schools in your school district.

Should you have questions about the survey, please contact Shelley Bates, NJ Office of Information Technology, at Shelley.bates@oit.state.nj.us or (609) 633-9605.

Thank you.
