SUBJECT: Charter School Payment Schedule for the 2011-12 School Year based on  
Projected Enrollment

This memorandum serves as official notification that the 2011-12 charter school payment schedules are available through the NJ Homeroom in the School Aid application and can be accessed at <http://homeroom.state.nj.us/>.

Please initiate payments in accordance with the 2011-12 payment schedules, which are based on projected enrollment. Pursuant to N.J.A.C. 6A:23A-15.3, districts are required to initiate 2011-12 payments to the charter school based on charter school's projected enrollment. Please refer to my letter, dated February 23, 2011 for details on how the estimated appropriation of potential charter school aid was calculated. This letter included all appropriate supporting schedules.

A revision to this payment schedule will be available to the school district in November reflecting the charter school's actual enrollment as of October 15, 2011.
