Acting Deputy Commissioner

**SUBJECT:** 2011 Technology Survey – **Due Date June 30, 2011**

The New Jersey Department of Education's School Technology Survey for 2011 is now available at <https://www.surveymonkey.com/s/NJEdTechSurvey2011> to collect school-based data. This annual survey supplies information for U.S. Department of Education (USED) data requests, guides the department's support of educational technology initiatives across the state and provides a local and national perspective of technology in New Jersey.

It is suggested that you download a PDF copy of the survey so that you can collect the data to submit. This is an available option on the first page of the survey. Please respond to all questions with data that is accurate as of June 2011.

The responses you provide for your school are all very important, so please make sure your answers are correct. The data is only as strong as the information provided.

The survey will be available from May 9, 2011 through the end of the working day on June 30, 2011 for data submissions.

Should you require any further information, please contact Sue Sullivan at 609-777-4661 or [sue.sullivan@doe.state.nj.us](mailto:sue.sullivan@doe.state.nj.us).
