SUBJECT: NJEDGE.Net Academic Internet Offering

NJEDGE.Net, a non-profit technology consortium of academic and research institutions in New Jersey, has introduced Academic Internet - a new service offering for New Jersey K-12 school districts that can provide high speed Internet connectivity and access to resources such as:

- Internet2
- Videoconferencing
- The NJVid online "learning-on-demand" repository
- Procurement discounts
- Professional Development through NJEDGE.Network forums, events, webinars, workshops, faculty showcases and annual conference

Please share this letter with your Information Technology Director and Curriculum Supervisors. Should you require any further information, please visit AcademicInternet.org or contact Eric Kulmala at kulmala@njedge.net.
