EIPA Diagnostic Center

The EIPA Diagnostic Center, Boystown National Research Hospital, is offering four video conference workshops in the 2011-2012 academic year. These workshops are designed for educational interpreters working in Kindergarten-Grade 12 educational settings.

Professional Development Hours

The participants in each session will be eligible for four professional development hours from the New Jersey Department of Education.

RID Continuing Education Units

The EIPA Diagnostic Center is affiliated with the Nebraska Commission for the Deaf/Hard of Hearing. The Nebraska Commission for the Deaf/Hard of Hearing is an approved provider with the Registry of Interpreters for the Deaf. Participants in the EIPA videoconferences will be eligible for .4 continuing education units for each videoconference workshop.

November 12, 2011
11:00 a.m. - 3:00 p.m. EST
“An Overview of Interpreting
for Students with Cochlear Implants”

The recent innovations in cochlear implant technology have changed the role of the interpreter in the classroom. During this video conference information will be shared that will begin a nationwide discussion regarding “best practices” when working with students who have cochlear implants. The perspectives of interpreters, teachers, students and other professionals will be explored.

Registration Deadline:
Friday, October 29, 2011

January 14, 2012
11:00 a.m. - 3:00 p.m. EST
“Sign-to-Voice Interpreting: Working
With a Variety of Child Signers”

This video conference will cover techniques that are required to effectively interpret for a variety of child signers utilizing different sign modalities. Strategies for effective interpretation that reflect the child’s content, register, and communicative intent will be discussed. Sign models across all ages in the K-12 setting will be viewed.

Registration Deadline:
Friday, January 6, 2012

March 24, 2012
11:00 a.m. – 3:00 p.m. EST
“Classroom Classifiers: What’s the Best
Classifier to Represent a Concept?”

How many times does a concept come up in a lesson and you can’t come up with the right classifier to convey the proper concept? This video conference will cover classifiers used to convey a variety of concepts that one frequently encounters in K-12 science and geography/social studies classrooms. Classifiers for all grade levels will be covered.

Registration Deadline:
Friday, March 9, 2012

April 14, 2012
11:00 a.m. - 3:00 p.m. EST
“Preparing to take the EIPA Written Test”

This training will assist educational interpreters to prepare for the EIPA Written Test. The discussions will encompass a comprehensive overview of the information that is critical to the success of interpreters working in education settings.

Registration Deadline:
Friday, March 30, 2012
