Please be advised someone in your district will be contacting you to gain access to a web application that will allow districts to submit their SOA and DPR files through NJ Homeroom. Some may also contact you to establish a user name and password in order to submit these files. The application will be made available to these school districts on November 7, 2011.

Thank you for your attention to this matter. If you have any questions, please contact me (see contact information above).
