## **2023-2024 Reimbursement for Providing Additional or Compensatory Special Education and Related Services to Students with Disabilities Beyond Age 21 (ACSERS)**

The application for seeking reimbursement for providing Additional or Compensatory Special Education and Related Services (ACSERS) for students with disabilities who were 21 as of July 1, 2023 is available on the New Jersey Department of Education's (NJDOE) [Homeroom](#) webpage. Applications for reimbursement of 2023-2024 costs will be accepted through June 20, 2024.

Award notifications will be sent out after the application closes, and the payment will be made in July 2024.

If a school district submitted estimated costs in December or January, a representative must log in, submit the final costs for the 2023-2024 school year, and certify the final costs for each eligible student. A school district that provided services to an eligible student under this program, but did not previously submit estimated costs, may also log in, submit, and certify the final costs for services provided in the 2023-2024 school year. For additional information, please refer to the [December 2021](#) and [April 2022](#) Broadcasts.
