NJSLA-Adaptive and NJGPA-Adaptive Practice Tests Now Available

This memorandum provides local education agencies (LEAs) and approved private schools for students with disabilities (APSSDs) with information about the release of the practice tests for the New Jersey Student Learning Assessments-Adaptive (NJSLA-A) and New Jersey Graduation Proficiency Assessment-Adaptive (NJGPA-A) Fall 2025 Field Test.

Release of Practice Tests

LEAs and APSSDs are strongly encouraged to use the tutorials and practice tests now available on the New Jersey Assessments Portal's [Students and Families webpage](#). Tutorials familiarize students and educators with the item types, testing tools, accessibility features, accommodations, test format and navigation of the Test Delivery System (TDS) that will be used for the NJSLA-A and the NJGPA-A. Practice tests provide an opportunity for students to become familiar with the types of items and to respond to test questions similar to the questions students will be asked to answer on each test of the NJSLA-A and the NJGPA-A.
