

Career and Technical Education (CTE) Program of Study (POS) US Department of Labor (USDOL) Registered Apprenticeship Verification

Instructions

For the Office of Career Readiness to verify the use of a USDOL Registered Apprenticeship for meeting the requirements of a CTE POS per Perkins V legislation, the information below is required in a single document (Word or PDF). This document must be uploaded in Section 3 of the Career and Technical Education Data Management System (CTE-DMS). For any questions regarding this, please email cte.help@doe.nj.gov.

1. Letter from Chief School Administrator (CSA)

A narrative signed by the CSA, detailing the USDOL Registered Apprenticeship program, its alignment to the CTE POS and how it will culminate in the attainment of a recognized post-secondary credential (Per Workforce Innovation and Opportunity Act TEGL 10-16) in conjunction with the sponsor that is supporting programing. Examples of sponsors include: Adult Post-Secondary County Vocational, Union or Trade Association, Adult Private Career School, Institution of Higher Education, Intermediary, and Business.
