

APPROVED PRIVATE SCHOOLS FOR STUDENTS WITH DISABILITIES

2016-2017 DATA COLLECTION

(Tentative release: October/November, 2017)

The independent auditor will be required to input audited financial information into a web-based system for each Private School for Students with Disabilities (PSSD) that is audited and forward the information to the department. This Audit Summary Worksheet information will include PSSD fiscal data and audited expenses by line item from July through June and is accessible through the NJDOE Homeroom at this link: <http://homeroom.state.nj.us/>.

It is imperative that the independent auditor confirms that access to the PSSD data collection has been granted from the approved private school for students with disabilities' management before the collection begins. This collection is scheduled for released in October/November, 2017.
