

In accordance with *N.J.A.C. 6A:23A-18.5(j)*, private schools for students with disabilities shall use the job titles that are in use in the public schools in accordance with *N.J.A.C. 6A:9* and the list published each year by the Commissioner, or those approved in accordance with *N.J.A.C. 6A:9-5.5*. In accordance with *N.J.A.C. 6A:23A-18.3(r)*, a list of the recognized job titles pursuant to *N.J.A.C. 6A:9* that require certification, and *N.J.A.C. 6A:23A-18.2* that require a bachelor's degree, shall be published by the Commissioner. Private schools for students with disabilities shall only hire staff or consultants in job titles that require certification or a bachelor's degree if such titles are included on this list, or if such titles are unrecognized job titles for instruction that are approved in accordance with *N.J.A.C. 6A:9-5.5*.

Attached is a listing of the recognized job titles for private schools for students with disabilities. The following position codes/position titles were added: #0530 Director of Technology and #3136 Transition Teacher. Private schools should use the titles from the attached listing but may apply for approval of an unrecognized title through the executive county superintendent's office in the county the private school is located.

In accordance with *N.J.A.C. 6A:23A-18.5(c)*, an approved private school for students with disabilities shall execute an employment contract annually with each school employee whose position requires a certificate, license or a bachelor's degree. The employment contract shall contain the following information: name of employee; dates of employment; work hours; certification(s) and/or degree(s) held; job description; job title; salary; and percentage of time allocation for shared employees and/or employees with multiple position titles. An employee's contract may only reflect a recognized job title from the attached list or an unrecognized job title approved by the executive county superintendent in accordance with *N.J.A.C. 6A:9-5.5*. In addition, the job title listed on an employee's employment contract must be the same job title reflected in the 2017-2018 APSSD Budget and Audit System and reported on the school's 2017-2018 audited financial statements.

Additionally, the executive county superintendent will annually review a previously approved unrecognized job title and determine whether such title shall be continued for the next school year upon request from the private school. Therefore, the private school for students with disabilities must annually reapply for such approval. In accordance with *N.J.A.C. 6A:23A-18.6(a)*⁵⁴, the costs of salaries and fringe benefits of unrecognized job titles which are not properly approved in accordance with *N.J.A.C. 6A:9-5.5* are considered non-allowable costs. Retroactive approvals of unrecognized job titles will not be granted for the 2017-2018 school year.
