The information presented in columns 1 through 3 as well as the related descriptions of the per pupil cost calculations are contained in the Taxpayers' Guide to Education Spending and can be found on the Department of Education's Internet website: <http://www.state.nj.us/education/guide/>. This publication is also available in the board office and public libraries. The same calculations were performed using the 2022-23 revised appropriations and the 2023-24 budgeted appropriations presented in this advertised budget. Total Budgetary Comparative Per Pupil Cost is defined as current expense exclusive of tuition expenditures, transportation, residential costs, and judgments against the school district. For all years it also includes the restricted entitlement aids. With the exception of Total Equipment Cost, each of the other per pupil cost calculations presented is a component of the total comparative per pupil cost, although all components are not shown.

The City of Passaic uses the district schools to conduct all elections. There is a nominal payment received from the city for the use of the schools. The Board of Education pays the City of Passaic in accordance with state law, fees and expenses to conduct the Annual School Election.	0
Others	Use of School Facilities - The Board of Education permits local non-profit groups and the City of Passaic to use our facilities for various local activities. In most cases, all rental, custodial over and utility fees are waived because the activity directly affects the school children of Passaic.	0
	Sale of Board Personal Property - The Board of Education from time-to-time makes available obsolete equipment and furniture to non-public agencies in the city. The items are sold at a very low price as the board understands the commitment these groups have to the people of Passaic.	0
	Parental Contracts - The Board of Education has parental contracts where the parents are paid to transport their children to an out of district special education school. The payment to the parents represents a savings of at least 50% over a private company providing the transportation.	0
	Jointure Transportation Routes - The Board of Education enters into joint transportation routes with school districts (Clifton, Paterson) that are coordinated by the Northern Regional Educational Services Commission. The jointures allow the Board of Education to share the cost of transportation and generate savings to the district.	0
Purchasing	Public Library - The Board of Education utilizes the public libraries in the City of Passaic for courses to be taken on-site.	0
	Purchasing Cooperatives - The Board of Education purchases the following from the State of New Jersey mandated purchasing cooperatives: Service Purchasing Cooperative Natural Gas Alliance for Competitive Energy Services, Comprehensive General Liability Insurance and Property Insurance through the New Jersey School Insurance Group. The above purchasing cooperatives are being used by hundreds of school districts in New Jersey.	0
	New Jersey State Contracts - The Board of Education participates in the New Jersey Cooperative Purchasing Program where the district benefits from the buying power of the State of New Jersey. Among the items purchased are as follows: school supplies, office supplies, office equipment maintenance contracts, computers, copiers & copier supplies, and office furniture.  Educational Data Services/Educational Services Commission of Morris County - The Board of Education is a participating member of the cooperative purchasing system administered by Educational Data Services of Saddle Brook and coordinated by the Educational Services Commission of Morris County. The district purchases school and office supplies with the purchasing power of over 170 school districts. The Board of Education also participates with the Educational Services Commission of New Jersey and the Hunterdon County Educational Services Commission.	0
