**Title I Funding:**

- The NJDOE will verify receipt of the plans through the 2013-2014 *ESEA-NCLB* Consolidated Application.
- Districts must correct deficiencies noted after subsequent monitoring and/or review of the Plans or the NJDOE may recover Title I funds or revoke the schools' approval to operate a Title I Schoolwide program.

**Submission Dates:**

For Title I schools operating an approved schoolwide program (SW), with the exception of Priority and Focus schools, the Title I Schoolwide Plans are due at the time of submission of the FY 2014 *ESEA-NCLB* Consolidated Application.
