Dear Dr. Chaban:

The New Jersey Department of Education is in receipt of your letter submitted on behalf of Rutgers University Center for Government Services (CGS) requesting a waiver of the prohibition on overnight travel in order to facilitate the hosting of 55th Annual Public Purchasing Educational Forum planned for April 29 – May 1, 2025, in Atlantic City, New Jersey.

As you are aware, *N.J.S.A. 18A:11-12* requires that boards of education must ensure that all school district travel expenditures are “in compliance with state travel payment guidelines as established by the Department of the Treasury...” *N.J.A.C. 6A:23A-7.11(b)* and State Department of the Treasury OMB Circular 20-04 Section X.B specifically prohibit reimbursement of in-state overnight travel. However, the circular and *N.J.A.C. 6A:23A-7.11(c)* authorize the Commissioner to grant overnight in-state travel waivers only in extremely limited circumstances, where the sponsoring organization can demonstrate that the conference is broad and multidisciplinary in scope, comprised of content-rich educational programming with important professional development opportunities and/or required training. In addition, the sponsoring organization must demonstrate that the conference’s content, structure, scheduling, and anticipated attendance necessitate that it be held on multiple consecutive days with overnight lodging. Pursuant to the regulations, waivers will not be granted for reimbursement of lodging prior to the first day of the event or after check-out time of the last day of the event. The travel regulations are posted on the [NJDOE’s website](#).

After carefully reviewing your submission, the NJDOE finds that the 55th Annual Public Purchasing Educational Forum planned for April 29 – May 1, 2025, meets the criteria of the regulations and is hereby approved. Because of this waiver, school districts, charter schools,

and renaissance school projects will be able to reimburse eligible attendees for overnight lodging on **April 29 & 30, 2025** only, provided that the remaining conditions delineated in this letter are met.

Reimbursement for registration fees, mileage and meals, subject to the limitations and conditions set forth in OMB Circular 20-04 and OMB Circular 16-11, may also be permissible. School districts, charter schools, and renaissance school projects should ensure that they approve attendance only of board members, trustees, and employees whose duties are related to the purposes of the conference or who are required to attend to meet continuing education requirements as a condition of continued employment.

Moreover, please be advised that the waiver of the prohibition for reimbursement for overnight lodging covers only those attendees whose home to event commute exceeds 50 miles. In other words, only those individuals whose one-way commute to the forum in Atlantic City, NJ, exceeds 50 miles may obtain reimbursement from their school district, charter school or renaissance school project for overnight lodging for **April 29 & 30, 2025**.

Finally, I want to express my appreciation for the effort of the Rutgers University CGS to provide professional development opportunities to those who strive to provide quality public education in New Jersey. My best wishes for a successful conference.

Sincerely,

Kevin Dehmer
Acting Commissioner
