

### Attestation Regarding Other Minimum Essential Coverage

*To be completed by Consumer:*

I, \_\_\_\_\_, **am self-attesting that I am not currently enrolled in other Minimum Essential Coverage** (sometimes referred to as non-Employer Sponsored Insurance), including, but not limited to, Medicare Parts A and C, Medicaid (NJ FamilyCare), Children’s Health Insurance Program, Tricare, Refugee Medical Assistance, VA health care program, the Civilian Health and Medical program, or the Department of Defense Nonappropriated Fund Health Benefits Program.

I understand that this self-attested statement does not guarantee eligibility for the purchase of a Qualified Health Plan (QHP) or financial help on the Marketplace.

I understand that if anyone on my application enrolls in a Marketplace health plan and is later found to have other qualifying health coverage (including Medicare, Medicaid, or CHIP), the Marketplace will automatically end their Marketplace health plan.

I understand that I have 30 days to notify the Marketplace of any change of information in this application. I will report any changes within this time period by logging into my online account at [GetCovered.nj.gov](http://GetCovered.nj.gov) or by calling the Call Center at 1-833-677-1010. I understand that changes in my enrollment in other coverage, income, household size, address or other details might affect my or my household's eligibility for specific benefits.

Further, I understand and agree that if I am currently enrolled in an Marketplace plan with advance payments of the premium tax credit (APTC) and am found eligible for Medicaid, CHIP, or other qualifying health coverage, I may need to pay back the APTC I received for the months I had other qualifying health coverage.

I hereby certify that the foregoing statements made by me are true and accurate. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to legal penalties.
