2 Complete a Pre-filled Application

After claiming your GetCoveredNJ account, you will be able to complete your pre-filled application by selecting “**Resume Application**” button.

- Review your application to confirm pre-filled information and provide additional details. Update your application if it contains outdated information (such as income, tax household members, citizenship or immigration status, etc.) before submitting it.

3 Review Results & Enroll in a Plan

After submitting your application, review your eligibility results and go to the account dashboard. Under Next Steps, you will either see:

- A “**Shop for Plans**” button. You will be automatically qualified for a Special Enrollment Period (see A);
- A Select Coverage Start Date option (see B). Select “**Continue**” to shop for a plan.

- When enrolling in coverage, you may have the option for your coverage to begin the day after your NJ FamilyCare coverage ends or the first of the month following your plan selection if you enroll within 60 days of losing NJ FamilyCare coverage.

Select Coverage Start Date

Your current NJ FamilyCare (Medicaid/CHIP) coverage ended on February 28, 2023. Please choose a start date for your new coverage at GetCoveredNJ.

Next available Date (April 01, 2023)

To ensure continuity of coverage, you may choose to begin your coverage from the following date. Please note that if you start coverage from this date any premiums net of subsidies will have to be paid by you for the period of your coverage.

Earliest start Date (March 01, 2023)

If you have questions about your available coverage start date options, please contact 1-833-677-1010.

4 Choose a Health Plan

Once you see the “**Shop for Plans**” button, choose a health plan **within the timeframe** on your account dashboard (Enroll in a plan within 60 days of losing your coverage through NJ FamilyCare to avoid a gap in coverage).

5 Pay your first month's Premium

For your coverage to start, you must pay your first month's premium on time.

- You will have 120 days to enroll in coverage through GetCoveredNJ after your NJ FamilyCare coverage ends. To avoid a gap in coverage, you should enroll in a health plan within 60 days of your NJ FamilyCare coverage ending.
