

Health Plan Quality Ratings

Get Covered New Jersey provides the following information on the quality ratings of health plans offered through the Marketplace to New Jerseyans. The ratings were compiled from U.S. Centers for Medicare and Medicaid Services data and are required by federal regulation to be displayed.

Rating System

Each rated health plan has an “Overall” quality rating of 1 to 5 stars (5 is highest), which accounts for quality of medical care, member experience, and health plan services and affordability. Quality rating information for carriers operating on the State-Based Exchange, Get Covered New Jersey, is below. Note: Rating information is not available for Aetna CVS Health, operating for the first year on the exchange in 2023, and United Healthcare, operating for the first year on the exchange in 2024.

Disclaimer: Plan quality ratings and enrollee survey results are calculated by CMS using data provided by health plans in 2024. The ratings are being displayed for health plans for the 2025 plan year. [Learn more about these ratings.](#)
