Financial help available!

How to apply & enroll during the Open Enrollment Period

Get Covered New Jersey is the state's Official Health Insurance Marketplace, where individuals and families can shop for health coverage. It is the only place to find financial help to lower your monthly insurance premium and out-of-pocket costs. Learn more at **GetCovered.NJ.gov.**

Four things to know

- You may qualify to save money — most people do! Many people who enroll are eligible for financial help.
- Open Enrollment is the one time of year to enroll unless you have a major qualifying life event. If you don't enroll in a health plan during this three-month period, you'll have to wait until next year's Open Enrollment Period unless you have a major life event – like getting married, having a baby, losing job-based coverage or moving – that qualifies for a Special Enrollment Period.
- Help getting coverage is available. You can get help filling out your application by phone, with a trained assister, agent or broker. Find local help at **GetCovered.NJ.gov.**
- Already have a Marketplace plan? Plans change every year, so make sure you check out your coverage options to find the plan that is right for you. Log in to your GetCovered.NJ.gov account now to shop for coverage and update your information.

The Open Enrollment Period runs November 1 to January 31.
