Make Updates to your 2022 Health Coverage

If you have a Qualifying Life Event, you can make changes to your coverage through a Special Enrollment Period (SEP). Open Enrollment runs each year from November 1 through January 31.

1. **Log in to your GetCoveredNJ account**
   If you can’t remember your log-in information, contact GetCoveredNJ at 833-677-1010.

2. **Edit your Application**
   If you would like to report a Qualifying Life Event including pregnancy, birth, adoption, a death, or moving, click the “Edit Application” button.

   Check if you qualify for a Special Enrollment Period [here](#). If you do not have a Qualifying Life Event, you can update your coverage during Open Enrollment – please check back between November 1 and January 31.

3. **Review Results & Report Qualifying Life Event (if needed)**
   After submitting your application, review your eligibility results and go to the account dashboard. Under Next Steps, you will either see:

   1. A “Change Plans” button if you have automatically qualified for a Special Enrollment Period based on your updated application information (see A); or,

   2. A “Confirm Event and Shop” button to provide more information about your Qualifying Life Event (see B). **Select the Qualifying Life Event** that applies to you and provide any requested dates (see C). If you qualify, you will see “Change Plans” (see A).

4. **Change Health Plan (if needed)**
   Once you see the “Change Plans” button, choose a health plan **within the timeframe** on your account dashboard (usually 60 days from your reported life event).

5. **Pay your first month’s Premium**
   You must pay your first month’s premium before your enrollment can be finalized.

   Did you know? With new changes to the federal help and newly increased state subsidies, **9 out of 10 consumers** enrolling at GetCoveredNJ will now qualify for financial help.
