ASSEMBLY BILL NO. 4262

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14 of the New Jersey Constitution, I am returning Assembly Bill No. 4262 with my recommendations for reconsideration.

The Fiscal Year 2019 budget relies on several significant revisions to New Jersey’s Corporation Business Tax (“CBT”) statute. These revisions, contained in Assembly Bill No. 4202 and signed into law contemporaneous with this year’s budget, included key provisions to modernize the CBT statute, such as the introduction of combined reporting and market-based sourcing. Combined reporting, which has been utilized successfully in 26 other states, seeks to ensure proper tax treatment of large corporations with multiple subsidiaries by requiring a combined return for tax purposes. Market-based sourcing similarly looks at a company’s total sources of revenue to determine the proportional tax associated with each jurisdiction. Both of these provisions ensure more equitable taxation of companies domiciled inside and outside New Jersey. I applaud the Legislature for acting on these critically important tax initiatives.

The present bill, which was passed by the Legislature before the Legislature received and concurred in my recommendations to Assembly Bill No. 4202, was originally intended as follow-up legislation to address certain issues that were not fully resolved in Assembly Bill No. 4202 prior to my conditional veto. Among other changes, the present bill revises the surtax established under the new law to include “allocated net income” rather than “entire net income,” decouples the CBT from section 199A of the federal Internal Revenue Code, and adjusts the rate of the dividends received deduction.
Many of these changes were incorporated into Assembly Bill No. 4202 when the Legislature concurred with my recommendations and are now law. As a result, much of the language contained in the present bill is either no longer necessary or does not accurately reflect current law. My recommended revisions to the present bill make various technical changes to correct this.

In addition to addressing these technical concerns, my proposed changes make several substantive revisions to the recently enacted CBT law. These changes, among other things, provide that income earned from the transfer of certain tax credits is taxed if the credit is received after July 1, 2018, revise recent changes to the treatment of corporate net operating losses and clarify the tax treatment of combinable captive insurance companies.

Beyond these essential fixes, my recommendations also implement the “Finnegan” rather than the “Joyce” approach to determining how income is allocated among subsidiaries of a company. The Finnegan approach has been adopted by a number of northeastern states, including New York, as well as California. Notably, 33 of New Jersey’s top 50 CBT taxpayers in Fiscal Year 2017 filed in a state using the Finnigan method. Moreover, the Finnegan Model has been recommended by the Multi-state Tax Commission.

My recommended revisions also clarify when corporations may make a non-worldwide selection, known as a “Waters Edge election.” These clarifications will ensure proper capture of income from corporations who choose to avail themselves of this option and help to ensure that we do not minimize future tax revenue. Finally, my recommendations incorporate various technical changes that will facilitate proper implementation of the new CBT law.
Accordingly, I herewith return Assembly Bill No. 4262 and recommend that it be amended as follows:

"1. Section 4 of P.L.1945, c.162 (C.54:10A-4) is amended to read as follows:

4. For the purposes of this act, unless the context requires a different meaning:

(a) ["Commissioner" or "director"] "Director" shall mean the Director of the Division of Taxation of the State Department of the Treasury.

(b) "Allocation factor" shall mean the proportionate part of a taxpayer's net worth or entire net income used to determine a measure of its tax under this act.

(c) "Corporation" shall mean any corporation, joint-stock company or association and any business conducted by a trustee or trustees wherein interest or ownership is evidenced by a certificate of interest or ownership or similar written instrument, any other entity classified as a corporation for federal income tax purposes, and any state or federally chartered building and loan association or savings and loan association.

(d) "Net worth" shall mean the aggregate of the values disclosed by the books of the corporation for (1) issued and outstanding capital stock, (2) paid-in or capital surplus, (3) earned surplus and undivided profits, and (4) surplus reserves which can reasonably be expected to accrue to holders or owners of equitable shares, not including reasonable valuation reserves, such as reserves for depreciation or obsolescence or depletion. Notwithstanding
the foregoing, net worth shall not include any deduction for the amount of the excess depreciation described in paragraph (2)(F) of subsection (k) of this section. The foregoing aggregate of values shall be reduced by [100%] 50% of the amount disclosed by the books of the corporation for investment in the capital stock of one or more subsidiaries, which investment is defined as ownership (1) of at least 80% of the total combined voting power of all classes of stock of the subsidiary entitled to vote and (2) of at least 80% of the total number of shares of all other classes of stock except nonvoting stock which is limited and preferred as to dividends. In the case of investment in an entity organized under the laws of a foreign country, the foregoing requisite degree of ownership shall effect a like reduction of such investment from the net worth of the taxpayer, if the foreign entity is considered a corporation for any purpose under the United States federal income tax laws, such as (but not by way of sole examples) for the purpose of supplying deemed paid foreign tax credits or for the purpose of status as a controlled foreign corporation. In calculating the net worth of a taxpayer entitled to reduction for investment in subsidiaries, the amount of liabilities of the taxpayer shall be reduced by such proportion of the liabilities as corresponds to the ratio which the excluded portion of the subsidiary values bears to the total assets of the taxpayer.

In the case of banking corporations which have international banking facilities as defined in subsection (n), the foregoing aggregate of values shall also be reduced by retained earnings of the international banking facility. Retained earnings means the earnings accumulated over the life of such facility and shall not include the distributive share of dividends paid and federal
income taxes paid or payable during the tax year.

If in the opinion of the director, the corporation's books do not disclose fair valuations the director may make a reasonable determination of the net worth which, in his opinion, would reflect the fair value of the assets, exclusive of subsidiary investments as defined aforesaid, carried on the books of the corporation, in accordance with sound accounting principles, and such determination shall be used as net worth for the purpose of this act.

(e) (Deleted by amendment, P.L.1998, c.114.)

(f) "Investment company" shall mean any corporation whose business during the period covered by its report consisted, to the extent of at least 90% thereof of holding, investing and reinvesting in stocks, bonds, notes, mortgages, debentures, patents, patent rights and other securities for its own account, but this shall not include any corporation which: (1) is a merchant or a dealer of stocks, bonds and other securities, regularly engaged in buying the same and selling the same to customers; or (2) had less than 90% of its average gross assets in New Jersey, at cost, invested in stocks, bonds, debentures, mortgages, notes, patents, patent rights or other securities or consisting of cash on deposit during the period covered by its report; or (3) is a banking corporation, a savings institution, or a financial business corporation as defined in the Corporation Business Tax Act.

(g) "Regulated investment company" shall mean any corporation which for a period covered by its report, is registered and regulated under the Investment Company Act of 1940 (54 Stat. 789), as amended.

(h) "Taxpayer" shall mean any corporation, and any
partnership required, or consenting, to report or to pay taxes, interest or penalties under this act. "Taxpayer" shall not include a partnership that is listed on a United States national stock exchange.

(i) "Fiscal year" shall mean an accounting period ending on any day other than the last day of December on the basis of which the taxpayer is required to report for federal income tax purposes.

(j) Except as herein provided, "privilege period" shall mean the calendar or fiscal accounting period for which a tax is payable under this act.

(k) "Entire net income" shall mean total net income from all sources, whether within or without the United States, and shall include the gain derived from the employment of capital or labor, or from both combined, as well as profit gained through a sale or conversion of capital assets.

For the purpose of this act, the amount of a taxpayer's entire net income shall be deemed prima facie to be equal in amount to the taxable income, before net operating loss deduction and special deductions, which the taxpayer is required to report, or, if the taxpayer is classified as a partnership for federal tax purposes, would otherwise be required to report, to the United States Treasury Department for the purpose of computing its federal income tax, provided however, that in the determination of such entire net income,

(1) Entire net income shall exclude for the periods set forth in paragraph (2)(F)(i) of this subsection, any amount, except with respect to qualified mass commuting vehicles as described in section 168(f)(8)(D)(v) of the Internal Revenue Code as in effect immediately prior to January 1, 1984, which is included in a taxpayer's
federal taxable income solely as a result of an election made pursuant to the provisions of paragraph (8) of that section.

(2) Entire net income shall be determined without the exclusion, deduction or credit of:

(A) The amount of any exemption or credit allowed in any law of the United States imposing any tax on or measured by the income of corporations.

(B) Any part of any income from dividends or interest on any kind of stock, securities or indebtedness, except as provided in paragraph (5) of subsection (k) of this section.

(C) Taxes paid or accrued to the United States, a possession or territory of the United States, a state, a political subdivision thereof, or the District of Columbia, or to any foreign country, state, province, territory or subdivision thereof, on or measured by profits or income, or business presence or business activity, or the tax imposed by this act, or any tax paid or accrued with respect to subsidiary dividends excluded from entire net income as provided in paragraph (5) of subsection (k) of this section.

(D) (Deleted by amendment, P.L.1985, c.143.)

(E) (Deleted by amendment, P.L.1995, c.418.)

(F) (i) The amount by which depreciation reported to the United States Treasury Department for property placed in service on and after January 1, 1981, but prior to taxpayer fiscal or calendar accounting years beginning on and after the effective date of P.L.1993, c.172, for purposes of computing federal taxable income in accordance with section 168 of the Internal Revenue Code in effect after December 31, 1980, exceeds the amount of depreciation determined in accordance with the Internal Revenue Code provisions in effect prior to
January 1, 1981, but only with respect to a taxpayer's accounting period ending after December 31, 1981; provided, however, that where a taxpayer's accounting period begins in 1981 and ends in 1982, no modification shall be required with respect to this paragraph (F) for the report filed for such period with respect to property placed in service during that part of the accounting period which occurs in 1981. The provisions of this subparagraph shall not apply to assets placed in service prior to January 1, 1998 of a gas, gas and electric, and electric public utility that was subject to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998.

(ii) For the periods set forth in subparagraph (F)(i) of paragraph (2) of this subsection, any amount, except with respect to qualified mass commuting vehicles as described in section 168(f)(8)(D)(v) of the Internal Revenue Code as in effect immediately prior to January 1, 1984, which the taxpayer claimed as a deduction in computing federal income tax pursuant to a qualified lease agreement under paragraph (8) of that section.

The director shall promulgate rules and regulations necessary to carry out the provisions of this section, which rules shall provide, among others, the manner in which the remaining life of property shall be reported.

(G) (i) The amount of any civil, civil administrative, or criminal penalty or fine, including a penalty or fine under an administrative consent order, assessed and collected for a violation of a State or federal environmental law, an administrative consent order, or an environmental ordinance or resolution of a local governmental entity, and any interest earned on the penalty or fine, and any economic benefits having accrued to the violator as a
result of a violation, which benefits are assessed and recovered in a civil, civil administrative, or criminal action, or pursuant to an administrative consent order. The provisions of this paragraph shall not apply to a penalty or fine assessed or collected for a violation of a State or federal environmental law, or local environmental ordinance or resolution, if the penalty or fine was for a violation that resulted from fire, riot, sabotage, flood, storm event, natural cause, or other act of God beyond the reasonable control of the violator, or caused by an act or omission of a person who was outside the reasonable control of the violator.

(ii) The amount of treble damages paid to the Department of Environmental Protection pursuant to subsection a. of section 7 of P.L.1976, c.141 (C.58:10-23.1f), for costs incurred by the department in removing, or arranging for the removal of, an unauthorized discharge upon failure of the discharger to comply with a directive from the department to remove, or arrange for the removal of, the discharge.

(H) The amount of any sales and use tax paid by a utility vendor pursuant to section 71 of P.L.1997, c.162.

(I) Interest paid, accrued or incurred for the privilege period to a related member, as defined in section 5 of P.L.2002, c.40 (C.54:10A-4.4), except that a deduction shall be permitted to the extent that the taxpayer establishes by clear and convincing evidence, as determined by the director, that: (i) a principal purpose of the transaction giving rise to the payment of the interest was not to avoid taxes otherwise due under Title 54 of the Revised Statutes or Title 54A of the New Jersey Statutes, (ii) the interest is paid pursuant to arm's length contracts at an arm's length rate of interest, and (iii) (aa) the related member was subject to a tax on its net income or receipts in this State or another state or
possession of the United States or in a foreign nation, (bb) a measure of the tax includes the interest received from the related member, and (cc) the rate of tax applied to the interest received by the related member is equal to or greater than a rate three percentage points less than the rate of tax applied to taxable interest by this State, pursuant to subsection c(1) of section 5 of P.L.1945, c.162 (C.54:10A-5).

A deduction shall also be permitted if the taxpayer establishes by clear and convincing evidence, as determined by the director, that the disallowance of a deduction is unreasonable, or the taxpayer and the director agree in writing to the application or use of an alternative method of apportionment under section 8 of P.L.1945, c.162 (C.54:10A-8); nothing in this subsection shall be construed to limit or negate the director's authority to otherwise enter into agreements and compromises otherwise allowed by law.

A deduction shall also be permitted to the extent that the taxpayer establishes by a preponderance of the evidence, as determined by the director, that the interest is directly or indirectly paid, accrued or incurred to (i) a related member in a foreign nation which has in force a comprehensive income tax treaty with the United States and the related member (aa) was subject to tax in the foreign nation on a tax base that included the payment paid, accrued, or incurred; and (bb) under which the related member's income received from the transaction was taxed at an effective tax rate equal to or greater than a rate of three percentage points less than the rate of tax applied to taxable interest by the State of New Jersey, pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5), provided however that the taxpayer shall disclose on its return for the privilege period the name of the related member, the amount
of the interest, the relevant foreign nation, and such other information as the director may prescribe or (ii) to an independent lender and the taxpayer guarantees the debt on which the interest is required. Transactions between members of a combined group are [eliminated] offset in the computation of the entire net income of the members of the combined group, where included in the same New Jersey combined return; therefore, this subparagraph only applies to interest paid, accrued or incurred by a taxable member of a combined group to related [parties] members that are not [members of the combined group] included in the same New Jersey combined return as such taxable member.

(J) (i) Amounts deducted for federal tax purposes pursuant to section 199 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.199, except that this exclusion shall not apply to amounts deducted pursuant to that section that are exclusively based upon domestic production gross receipts of the taxpayer which are derived only from any lease, rental, license, sale, exchange, or other disposition of qualifying production property which the taxpayer demonstrates to the satisfaction of the director was manufactured or produced by the taxpayer in whole or in significant part within the United States but not qualified production property that was grown or extracted by the taxpayer. "Manufactured or produced" as used in this paragraph shall be limited to performance of an operation or series of operations the object of which is to place items of tangible personal property in a form, composition, or character different from that in which they were acquired. The change in form, composition, or character shall be a substantial change, and result in a transformation of property into a different or substantially more usable product.
(ii) For privilege periods beginning after December 31, 2017, notwithstanding the provisions of P.L.1945, c.162 (C.54:10A-1 et seq.) or any other law to the contrary, for the purposes of determining the amount of income pursuant to P.L.1945, c.162 (C.54:10A-1 et seq.) that is net of expenses, no amounts shall be taken as a deduction pursuant to section 199A of the Internal Revenue Code (26 U.S.C. s.199A).

(K) For privilege periods beginning after December 31, 2017, the interest deduction limitation in subsection (j) of section 163 of the Internal Revenue Code (26 U.S.C. s.163), shall apply on a pro-rata basis to interest paid to both related and unrelated parties, regardless of whether the related parties are subject to the add-back provision of either subparagraph (I) of paragraph (2) of this subsection or in section 5 of P.L.2002, c.40 (C.54:10A-4.4).

(3) The director may, whenever necessary to properly reflect the entire net income of any taxpayer, determine the year or period in which any item of income or deduction shall be included, without being limited to the method of accounting employed by the taxpayer.

(4) There shall be allowed as a deduction from entire net income of a banking corporation, to the extent not deductible in determining federal taxable income, the eligible net income of an international banking facility determined as follows:

(A) The eligible net income of an international banking facility shall be the amount remaining after subtracting from the eligible gross income the applicable expenses;

(B) Eligible gross income shall be the gross income derived by an international banking facility, which shall
include, but not be limited to, gross income derived from:

(i) Making, arranging for, placing or carrying loans to foreign persons, provided, however, that in the case of a foreign person which is an individual, or which is a foreign branch of a domestic corporation (other than a bank), or which is a foreign corporation or foreign partnership which is controlled by one or more domestic corporations (other than banks), domestic partnerships or resident individuals, all the proceeds of the loan are for use outside of the United States;

(ii) Making or placing deposits with foreign persons which are banks or foreign branches of banks (including foreign subsidiaries) or foreign branches of the taxpayers or with other international banking facilities;

(iii) Entering into foreign exchange trading or hedging transactions related to any of the transactions described in this paragraph; or

(iv) Such other activities as an international banking facility may, from time to time, be authorized to engage in;

(C) Applicable expenses shall be any expense or other deductions attributable, directly or indirectly, to the eligible gross income described in subparagraph (B) of this paragraph.

(5) (A) (i) Entire net income shall exclude 100% of dividends which were included in computing such taxable income for federal income tax purposes, paid to the taxpayer by one or more subsidiaries owned by the taxpayer to the extent of the 80% or more ownership of investment described in subsection (d) of this section for privilege periods ending on or before December 31, 2016.

(ii) For [the] privilege [period] periods beginning
after December 31, 2016, entire net income shall exclude 95% of dividends which were included in computing such taxable income for federal income tax purposes, paid or deemed paid, to the taxpayer by one or more subsidiaries owned by the taxpayer to the extent of the 80% or more ownership of investment described in subsection (d) of this section. For the purposes of calculating the tax liability owed for the paid or deemed paid dividends included in entire net income by this subsection, the taxpayer shall use either their three-year average allocation factor for the taxpayer's [2015] 2014 through [2017] 2016 tax years reported on the taxpayer's tax returns or 3.5 percent, whichever is lower, for privilege periods beginning before January 1, 2019.

(iii) For privilege periods beginning on and after [January 1, 2018] January 1, 2019, entire net income shall exclude 95% of dividends which were included in computing such taxable income for federal income tax purposes, paid or deemed paid to the taxpayer by one or more subsidiaries owned by the taxpayer to the extent of the 80% or more ownership of investment described in subsection (d) of this section.

(B) Entire net income shall exclude 50% of dividends which were included in computing such taxable income for federal income tax purposes, paid or deemed paid to the taxpayer by one or more subsidiaries owned by the taxpayer to the extent of 50% or more ownership of investment, such ownership of investment calculated in the same manner as the 80% or more ownership of investment is calculated as described in subsection (d) of this section.

(C) To the extent a subsidiary received dividends from other subsidiaries and included those dividends in its entire net income for the
purposes of determining its tax liability pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5) and paid tax on those dividends, the taxpayer receiving those same dividends from the subsidiary shall exclude those dividends from its entire net income based on the subsidiary's allocation factor used by the subsidiary in determining its tax liability pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5).

(6) (A) Net operating loss deduction. For privilege periods ending before [the effective date of P.L.2018, c.48] July 31, 2019, there shall be allowed as a deduction for the privilege period the net operating loss carryover to that period.

(B) Net operating loss carryover. A net operating loss for any privilege period ending after June 30, 1984 shall be a net operating loss carryover to each of the seven privilege periods following the period of the loss and a net operating loss for any privilege period ending after June 30, 2009 shall be a net operating loss carryover to each of the twenty privilege periods following the period of the loss. The entire amount of the net operating loss for any privilege period (the "loss period") shall be carried to the earliest of the privilege periods to which the loss may be carried. The portion of the loss which shall be carried to each of the other privilege periods shall be the excess, if any, of the amount of the loss over the sum of the entire net income, computed without the [exclusion] exclusions permitted in paragraphs (4) or (5) of this subsection or the net operating loss deduction provided by subparagraph (A) of this paragraph, for each of the prior privilege periods to which the loss may be carried.

(C) Net operating loss. For purposes of this paragraph the term "net operating loss" means the excess of the deductions over the gross income used in computing
entire net income without the net operating loss deduction provided for in subparagraph (A) of this paragraph and the exclusions in paragraph (4) or (5) of this subsection.

(D) Change in ownership. Where there is a change in 50% or more of the ownership of a corporation because of redemption or sale of stock and the corporation changes the trade or business giving rise to the loss, no net operating loss sustained before the changes may be carried over to be deducted from income earned after such changes. In addition where the facts support the premise that the corporation was acquired under any circumstances for the primary purpose of the use of its net operating loss carryover, the director may disallow the carryover.

(E) Notwithstanding the provisions of this paragraph (6) of subsection (k) of this section to the contrary, for privilege periods beginning during calendar year 2002 and calendar year 2003, no deduction for any net operating loss carryover shall be allowed and for privilege periods beginning during calendar year 2004 and calendar year 2005, there shall be allowed as a deduction for the privilege period so much of the net operating loss carryover as reduces entire net income otherwise calculated by 50%. If and only to the extent that any net operating loss carryover deduction is disallowed by reason of this subparagraph (E), the date on which the amount of the disallowed net operating loss carryover deduction would otherwise expire shall be extended by a period equal to the period for which application of the net operating loss was disallowed by this subparagraph.

Provided, that this subparagraph (E) shall not restrict the surrender or acquisition of corporation business tax benefit certificates pursuant to section 1 of P.L. 1997, c.334
(C.34:1B-7.42a) and shall not restrict the application of corporation business tax benefit certificates pursuant to section 2 of P.L.1997, c.334 (C.54:10A-4.2).

(F) Reduction for discharge of indebtedness. A net operating loss for any privilege period ending after June 30, 2014, and any net operating loss carryover to such privilege period, shall be reduced by the amount excluded from federal taxable income under subparagraph (A), (B), or (C) of paragraph (1) of subsection (a) of section 108 of the federal Internal Revenue Code (26 U.S.C. s.108), for the privilege period of the discharge of indebtedness.

(7) The entire net income of gas, electric and gas and electric public utilities that were subject to, or would have been subject to tax if doing business in this State, the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998, shall be adjusted by substituting the New Jersey depreciation allowance for federal tax depreciation with respect to assets placed in service prior to January 1, 1998. For gas, electric, and gas and electric public utilities that were subject to, or would have been subject to tax if doing business in this State, the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998, the New Jersey depreciation allowance shall be computed as follows: All depreciable assets placed in service prior to January 1, 1998 shall be considered a single asset account. The New Jersey tax basis of this depreciable asset account shall be an amount equal to the carryover adjusted basis for federal income tax purposes on December 31, 1997 of all depreciable assets in service on December 31, 1997, increased by the excess, of the "net carrying value," defined to be adjusted book basis of all assets and liabilities, excluding deferred income taxes, recorded on the public utility's books of account on December 31, 1997, over the
carryover adjusted basis for federal income tax purposes on December 31, 1997 of all assets and liabilities owned by the gas, electric, or gas and electric public utility as of December 31, 1997. "Books of account" for gas, gas and electric, and electric public utilities means the uniform system of accounts as promulgated by the Federal Energy Regulatory Commission and adopted by the Board of Public Utilities. The following adjustments to entire net income shall be made pursuant to this section:

(A) Depreciation for property placed in service prior to January 1, 1998 shall be adjusted as follows:

(i) Depreciation for federal income tax purposes shall be disallowed in full.

(ii) A deduction shall be allowed for the New Jersey depreciation allowance. The New Jersey depreciation allowance shall be computed for the single asset account described above based on the New Jersey tax basis as adjusted above as if all assets in the single asset account were first placed in service on January 1, 1998. Depreciation shall be computed using the straight line method over a thirty-year life. A full year's depreciation shall be allowed in the initial tax year. No half-year convention shall apply. The depreciable basis of the single account shall be reduced by the adjusted federal tax basis of assets sold, retired, or otherwise disposed of during any year on which gain or loss is recognized for federal income tax purposes as described in subparagraph (B) of this paragraph.

(B) Gains and losses on sales, retirements and other dispositions of assets placed in service prior to January 1, 1998 shall be recognized and reported on the same basis as for federal income tax purposes.

(C) The Director of the Division of Taxation shall
promulgate regulations describing the methodology for allocating the single asset account in the event that a portion of the utility's operations are separated, spun-off, transferred to a separate company or otherwise desegregated.

(8) In the case of taxpayers that are gas, electric, gas and electric, or telecommunications public utilities as defined pursuant to subsection (q) of this section, the director shall have authority to promulgate rules and issue guidance correcting distortions and adjusting timing differences resulting from the adoption of P.L.1997, c.162 (C.54:10A-5.25 et al.).

(9) Notwithstanding paragraph (1) of this subsection, entire net income shall not include the income derived by a corporation organized in a foreign country from the international operation of a ship or ships, or from the international operation of aircraft, if such income is exempt from federal taxation pursuant to section 883 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.883.

(10) Entire net income shall exclude all income of an alien corporation the activities of which are limited in this State to investing or trading in stocks and securities for its own account, investing or trading in commodities for its own account, or any combination of those activities, within the meaning of section 864 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.864, as in effect on December 31, 1998. Notwithstanding the previous sentence, if an alien corporation undertakes one or more infrequent, extraordinary or non-recurring activities, including but not limited to the sale of tangible property, only the income from such infrequent, extraordinary or non-recurring activity shall be subject to the tax imposed pursuant to P.L.1945, c.162
(C.54:10A-1 et seq.), and that amount of income subject to tax shall be determined without regard to the allocation to that specific transaction of any general business expense of the taxpayer and shall be specifically assigned to this State for taxation by this State without regard to section 6 of P.L.1945, c.162 (C.54:10A-6). For the purposes of this paragraph, "alien corporation" means a corporation organized under the laws of a jurisdiction other than the United States or its political subdivisions.

(11) No deduction shall be allowed for research and experimental expenditures, to the extent that those research and experimental expenditures are qualified research expenses or basic research payments for which an amount of credit is claimed pursuant to section 1 of P.L.1993, c.175 (C.54:10A-5.24) unless those research and experimental expenditures are also used to compute a federal credit claimed pursuant to section 41 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.41.

(B) The director shall prescribe the rules and regulations necessary to carry out the provisions of this paragraph, including, among others, those for determining the adjusted basis of the acquired property for the purposes of the Corporation
(13) (A) Notwithstanding the provisions of section 179 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.179, for property placed in service on or after January 1, 2004, the costs that a taxpayer may otherwise elect to treat as an expense which is not chargeable to a capital account shall be determined pursuant to the provisions of the federal Internal Revenue Code of 1986 (26 U.S.C. s.1 et seq.) in effect on December 31, 2002.

(B) The director shall prescribe the rules and regulations necessary to carry out the provisions of this paragraph, including, among others, those for determining the adjusted basis of the acquired property for the purposes of the Corporation Business Tax Act (1945), P.L.1945, c.162.

(14) Notwithstanding the provisions of subsection (i) of section 108 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.108), for privilege periods beginning after December 31, 2008 and before January 1, 2011, entire net income shall include the amount of discharge of indebtedness income excluded for federal income tax purposes pursuant to subsection (i) of section 108 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.108), and for privilege periods beginning on or after January 1, 2014 and before January 1, 2019, entire net income shall exclude the amount of discharge of indebtedness income included for federal income tax purposes, pursuant to subsection (i) of section 108 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.108).

(15) Entire net income shall exclude the gain or income derived from the sale or assignment of a tax credit transfer certificate pursuant to section 7 of P.L.2011, c.149 (C.34:1B-248) and section 10

(D) If the provisions of sections 18 through 22 of P.L.2018, c.48 (C.54:10A-4.6 to C.54:10A-4.10) result in an aggregate increase to the members' net deferred tax liability or an aggregate decrease to the members' net deferred tax asset, or an aggregate change from a net deferred tax asset to a net deferred tax liability, the combined group shall be entitled to a deduction, as determined in this paragraph.

(E) For 10 years beginning with the combined group's first privilege period beginning on or after January 1 of the fifth year after the effective date of P.L.2018, c.48 (C.54:10A-54.1 et al.) Such increase in the net deferred tax liability or decrease in the net deferred tax asset or the aggregate change from a net deferred tax asset to a net deferred tax liability shall be computed based on the change that would result from the imposition of the unitary reporting requirements under sections 1 through 17-21 of P.L.2018, c.48 (C.54:10A-54.1 et al.) but for the deduction provided under this paragraph as of the effective date of this paragraph.

(ii) the resulting amount shall be further divided by the New Jersey unitary business allocation factor that was used by the combined group in the calculation of the deferred tax assets and deferred tax liabilities as described in subparagraph (E) of this paragraph;

(iii) the resulting amount represents the total net Deferred Tax Deduction available over the ten-year period as described in subparagraph (E) of this paragraph.

(G) The deduction calculated under this paragraph shall not be adjusted as a result of any events happening subsequent to such calculation, including, but not limited to, any disposition or abandonment of assets. Such deduction shall be calculated without regard to the federal tax effect and
shall not alter the tax basis of any asset. If the deduction under this section is greater than combined group entire net income, any excess deduction shall be carried forward and applied as a deduction to combined group entire net income in future privilege periods until fully utilized.

(H) Any combined group intending to claim a deduction under this paragraph shall file a statement with the director on or before July 1 of the year subsequent to the first privilege period for which a combined return is required. Such statement shall specify the total amount of the deduction which the combined group claims on such form and in such manner as prescribed by the director. c. (1) The adjustments required in subsection b. of this section shall not apply if: (a) the interest expenses and costs and intangible expenses and costs are directly or indirectly paid, accrued or incurred to a related member in a foreign nation which has in force a comprehensive income tax treaty with the United States and the (i) related member was subject to tax in the foreign nation on a tax base that included the [payment] amount paid, accrued, or incurred and (ii) the related member's income received from the transaction was taxed at an effective tax rate equal to or greater than a rate of three percentage points less than the rate of tax applied to taxable interest by the State of New Jersey, pursuant to section 5 of P.L. 1945, c.162 (C.54:10A-5); or (b) the taxpayer establishes by clear and convincing evidence, as determined by the director, that the adjustments are unreasonable; or (c) the taxpayer and the director agree in writing to the application or use of an alternative method of apportionment under section 8 of P.L.1945, c.162 (C.54:10A-8). Nothing in this subsection shall be construed to limit or negate the director's authority to otherwise enter into agreements and compromises otherwise allowed by law.

(2) For the purposes of qualifying for the exception provided by subparagraph (a) of paragraph (1) of this subsection, the taxpayer shall disclose on its return for the privilege period the name of the related member, the amount of the interest expenses and costs and intangible expenses and costs deducted, the relevant foreign nation, and such other information as the director may prescribe.

(3) The adjustments required in subsection b. of this section shall not apply to
the portion of interest expenses and costs and intangible expenses and costs that the taxpayer establishes by a preponderance of the evidence meets both of the following: (a) the related member during the same income year directly or indirectly paid, received, accrued or incurred the portion to or from a person that is not a related member, and (b) the transaction giving rise to the interest expenses and costs or the intangible expenses and costs between the taxpayer and the related member did not have as a principal purpose the avoidance of any portion of the tax due under Title 54 of the Revised Statutes or Title 54A of the New Jersey Statutes.

d. Nothing in this section shall require a taxpayer to add to its net income more than once any amount of interest expenses and costs and intangible expenses and costs that the taxpayer pays, accrues or incurs to a related member described in subsection b. of this section.

e. Nothing in this section shall be construed to limit or negate the director's authority to make adjustments under paragraph (3) of subsection (k) of section 4 of P.L.1945, c.162 (C.54:10A-4), section 8 of P.L.1945, c.162 (C.54:10A-8), or section 10 of P.L.1945, c.162 (C.54:10A-10)."

"4. Section 27 of P.L. 2002 c.40 (C.54:10A-4.5) is amended to read as follows:

27. a. Notwithstanding any provision of subsection (k) of section 4 of P.L.1945, c.162 (C.54:10A-4) or of the federal Internal Revenue Code, including but not limited to 26 U.S.C. s.381 or any successor or equivalent provision, that permits a corporation to use
the net operating losses of another for federal income tax purposes following certain transactions, including but not limited to those qualifying as reorganizations under the provisions of subparagraph (A), (C), (D), (F) or (G) of paragraph (1) of subsection (a) of section 368 of the federal Internal Revenue Code, 26 U.S.C. s.368, a net operating loss for a privilege period ending after June 30, 1984, may be carried over and allowed as a deduction only by the corporation that sustained the loss; provided, however, that in the case of a merger of two or more corporations pursuant to statute of this State or any other jurisdiction, the net operating loss may be carried over only by the corporation that sustained the loss and that is also the surviving corporation following the merger. The net operating loss may not be carried over by a taxpayer that changes its state of incorporation.

b. Subsection a. of this section shall not apply between members of a combined group reported on a combined return in New Jersey, or between members of [a commonly owned] an affiliated group reported on the elective combined return in New Jersey.”

5. Section 18 of P.L. 2018, c.48 (C.54:10A-4.6) is amended to read as follows:

18. A taxable member of a combined group shall determine its entire net income from the unitary business as its share of the entire net income of the combined group in accordance with a combined unitary tax return made pursuant to this section and sections 19, 20, and 23 of P.L.2018, c.48 (C.54:18A-4.7, C.54:18A-4.8, and C.54:10A-4.11). The entire net income from the unitary business of a combined group is the sum of the entire net incomes of each taxable member and each nontaxable member of the combined group derived from the unitary business, which shall be determined as follows:
a. For a member incorporated in the United States, the entire net income to be included in income of the combined group shall be the member's entire net income otherwise determined pursuant to the Corporation Business Tax Act (1945), P.L.1945, c.162 (C.54:10A-1 et seq.).

b. For a member not incorporated in the United States, the income to be included in the entire net income of the combined group shall be determined from a profit and loss statement that shall be prepared for each foreign branch or corporation in the currency in which the books of account of the branch or corporation are regularly maintained, adjusted to conform it to the accounting principles generally accepted in the United States for the presentation of those statements and further adjusted to take into account any book-tax differences required by federal or State law. The profit and loss statement of each foreign member of the combined group and the allocation factors related thereto, whether United States or foreign, shall be translated into or from the currency in which the parent company maintains its books and records on any reasonable basis consistently applied on a year-to-year or entity-by-entity basis. Income shall be expressed in United States dollars. In lieu of these procedures and subject to the determination of the director that the income to be reported reasonably approximates income as determined under the Corporation Business Tax Act (1945), P.L.1945, c.162 (C.54:10A-1 et seq.), income may be determined on any reasonable basis consistently applied on a year-to-year or entity-by-entity basis.

c. (1) If a member of a combined group receives income from the unitary business from a partnership, the combined group's entire net income shall include the member's direct and indirect
distributive share of the partnership's unitary business income.

(2) The distributive share of income received by a limited partner from a qualified investment partnership shall not be considered to be derived from a unitary business unless the general partner of such investment partnership and such limited partner have common ownership. To the extent that the limited partner is otherwise carrying on or doing business in New Jersey, it shall allocate its distributive share of income from a qualified investment partnership in accordance with subsection a. of section 3 of P.L.2001, c.136 (C.54:10A-15.6) or subsection a. of section 4 of P.L.2001, c.136 (C.54:10A-15.7) as applicable. If the limited partner is not otherwise carrying on or doing business in New Jersey, its distributive share of income from an investment partnership is not subject to tax under this chapter.

d. All dividends paid by one member to another member of the combined group shall be eliminated from the income of the recipient.

e. Except as otherwise provided by regulation, business income from an intercompany transaction among members of the same combined group shall be deferred in a manner similar to the deferral under 26 C.F.R. s.1.1502-13, as determined by the director. Upon the occurrence of either of the events set forth in subparagraphs (1) and (2) of this subsection, deferred income resulting from an intercompany transaction among members of a combined group shall be restored to the income of the seller and shall be included in the net income of the combined group as if the seller had earned the income immediately before the event:

(1) The object of a deferred intercompany transaction is: (a) resold by the buyer to an entity that is not a member of the combined group, (b) resold by the buyer
to an entity that is a member of the combined group for use outside the unitary business in which the buyer and seller are engaged, or (c) converted by the buyer to a use outside the unitary business in which the buyer and seller are engaged; or

2) The buyer and seller cease to be members of the same combined group, and no portion of the income or loss is included in the entire net income of the unitary group, regardless of whether the buyer and seller remain sufficiently interdependent, integrated, and interrelated through their activities so as to provide a synergy and mutual benefit that produces a sharing or exchange of value between them.

f. A charitable expense incurred by a member of a combined group shall, to the extent allowable as a deduction pursuant to section 170 of the federal Internal Revenue Code, 26 U.S.C. s.170, be subtracted first from the combined group's entire net income, subject to the income limitations of that section applied to the entire [business] net income of the group. A charitable deduction disallowed under section 170 of the federal Internal Revenue Code, 26 U.S.C. s.170, but allowed as a carryover deduction in a subsequent privilege period, shall be treated as originally incurred in the subsequent year by the same member and the provisions of this section shall apply in the subsequent privilege period in determining the allowable deduction for that privilege period.

g. A prior net operating loss conversion carryover incurred by a member of a combined group shall be deducted from the entire net income or loss allocated to this state pursuant to section 19 of P.L.2018, c.48 (C.54:10A-4.7) as follows:

1) Such prior net operating loss conversion carryover deduction shall be allowed to offset only the
entire net income allocated to this state of the corporation that created the prior net operating loss; the prior net operating loss conversion carryover cannot be shared with other members of the combined group.

(2) The prior net operating loss conversion carryover deduction computed under subsection (u) of section 4 of P.L.1945, c.162 (C.54:10A-4) shall be applied against the entire net income allocated to this state of the corporation that created the prior net operating loss before the net operating loss carryover computed under subsection h. of this section.

The director shall provide regulations establishing rules on how each such corporation shall apply its prior net operating loss conversion carryover against its share of entire net income allocated as if filing on a separate entity basis.

h. A net operating loss carryover incurred by a member of a combined group shall be deducted from entire net income or loss allocated to this State pursuant to section 19 of P.L.2018, c.48 (C.54:10A-4.7) as follows:

(1) For privilege periods beginning on or after the first day of the initial privilege period for which a combined unitary tax return is required under this section and sections 19, 20, and 23 of P.L.2018, c.48 (C.54:18A-4.7, C.54:18A-4.8, and C.54:18A-4.11), if the computation of a combined group's entire net income allocated to this state results in a net operating loss, a taxable member of such group may carry over the net operating loss allocated to this state, as calculated under this section and sections 19 and 23 of P.L.2018, c.48 (C.54:18A-4.7 and C.54:18A-4.11), and shall be deductible from entire net income derived from the unitary business in a future privilege period to the extent that the carryover and deduction is otherwise
consistent with subsection (v) of section 4 of P.L.1945, c.162 (C.54:10A-4).

(2) Where a taxable member of a combined group has a net operating loss carryover derived from a loss incurred by a combined group in a privilege period beginning on or after the first day of the initial privilege period for which a combined unitary tax return is required under this section and sections 19, 20, and 23 of P.L.2018, c.48 (C.54:18A-4.7, C.54:18A-4.8, and C.54:18A-4.11), then the taxable member may share the net operating loss carryover with other taxable members of the combined group if such other taxable members were members of the combined group in the privilege period that the loss was incurred. Any amount of net operating loss carryover that is deducted by another taxable member of the combined group shall reduce the amount of net operating loss carryover that may be carried over by the taxable member that originally incurred the loss.

(3) Where a taxable member of a combined group has a net operating loss carryover derived from a loss incurred in a privilege period during which the taxable member was not a member of such combined group, the carryover shall remain available to be deducted by that taxable member or other group members that, in the year the loss was incurred, were part of the same combined group as such taxable member. Such carryover shall not be deductible by any other members of the combined group.

(4) A net operating loss carryover shall not include any net operating loss incurred during any privilege period beginning prior to the first day of the initial privilege period for which a combined unitary tax return is required under this section and sections 19 and 23 of P.L.2018, c.48 (C.54:18A-4.7 and C.54:18A-4.11).
1. Tax credits earned by a member of a combined group shall be utilized as follows:

(1) If a taxable member of a combined group earns a tax credit in a privilege period beginning on or after the first day of the initial privilege period for which a combined unitary tax return is required under this section and sections 19, 20, and 23 of P.L.2018, c.48 (C.54:18A-4.7, C.54:18A-4.8, and C.54:18A-4.11), then the taxable member may share the credit with other taxable members of the combined group. Any amount of credit that is utilized by another taxable member of the combined group shall reduce the amount of credit carryover that may be carried over by the taxable member that originally earned the credit. If a taxable member of a combined group has a tax credit carryover derived from a privilege period beginning on or after the first day of the initial privilege period for which a combined unitary tax return is required under this section and sections 19, 20, and 23 of P.L.2018, c.48 (C.54:18A-4.7, C.54:18A-4.8, and C.54:18A-4.11), then the taxable member may share the carryover credit with other taxable members of the combined group.

(2) If a taxable member of a combined group has a tax credit carryover derived from a privilege period beginning prior to the first day of the initial privilege period for which a combined unitary tax return is required under this section and sections 19, 20, and 23 of P.L.2018, c.48 (C.54:18A-4.7, C.54:18A-4.8, and C.54:18A-4.11), then the taxable member may share the carryover credit with other taxable members of the combined group.

(3) If a taxable member of a combined group has a tax credit carryover derived from a privilege period during which the taxable member was not a member of such combined group, the credit carryover shall remain available to be utilized by such taxable member or other group members.
(4) To the extent a taxable member has more than one corporation business tax credit that it may utilize in a privilege period, whether such credits were earned by said member or are available to said member in accordance with paragraphs (1), (2) and (3) of this subsection, the order of priority of the application of the credits shall be as prescribed by the director.

j. An expense of a member of the combined group that is directly or indirectly attributable to the income of any member of the combined group, which income this State is prohibited from taxing pursuant to the laws or Constitution of the United States, shall be disallowed as a deduction for purposes of determining the combined group's entire net income.

k. Nothing in this section shall apply to:

(1) A corporation or combined group which is licensed, in whole or in part, as an insurance company under the laws of this State or of another state, including corporations which are surplus lines insurers declared eligible by the Commissioner of Banking and Insurance pursuant to section 11 of P.L.1960, c.32 (C.17:22-6.45) to insure risks within this State that is not a combinable captive insurance company. Notwithstanding a provision, if any, to the contrary in this section, the income of an insurance company that is not a combinable captive insurance company, the allocation or apportionment of income related thereto and the apportionment factors of an insurance company that is not a combinable captive insurance company shall not be included in a combined unitary tax return filed under this section and sections 19, 20, and 23 of P.L.2018, c.48 (C.54:18A-4.7, C.54:18A-4.8, and C.54:18A-4.11). In addition, the dividend exclusion provisions of paragraph (5) of subsection (k) of section 4 of P.L.1945,
c.162 (C.54:10A-4) relating to dividends paid by insurance companies to non-insurance companies included in the unitary group shall not be affected by P.L.2018, c.48 (C.54:10A-5.41 et al.) or the provisions of this paragraph.

(2) A corporation that is regulated, in whole or in part, by the Federal Energy Regulatory Commission, the New Jersey Board of Public Utilities or similar regulatory body of another state, with respect to rates charged to customers for electric or gas services.

1. The director shall promulgate rules and regulations necessary to carry out the provisions of this section. The director is authorized to promulgate rules and regulations to either include or exclude other business entities in the combined group reported on the combined return which the director determines is appropriate to carry out the statutory intent of P.L. , c. (C. ) (pending before the Legislature as this Bill).

6. Section 19 of P.L. 2018, c.48 (C.54:10A-4.7) is amended to read as follows:

19. A taxable member of a combined group shall determine its allocation factor for determining its share of the entire net income of the combined group, as determined pursuant to the provisions of section 18 of P.L.2018, c.48 (C.54:10A-4.6), pursuant to sections 6 through 8 of P.L.1945, c.162 (C.54:10A-6 through 54:10A-8); provided however:

a. [In computing its denominator for the sales fraction, the taxable member shall use the combined group's denominator for that fraction. In computing the numerator of its sales fraction, each taxable member shall be treated as a separate taxpayer and that taxable member's numerator will include only that taxable member's receipts assignable to this State.] Each taxable member shall
determine its allocation factor based on the otherwise applicable allocation provided in sections 6 through 10 of P.L. 1945 c. 162 (C.54:10A-6 through C. 54:10A-10). In computing its denominators for all factors, the taxable member shall use the combined group's denominator for that factor. In computing the numerator of its receipts factor, each taxable member shall add to such numerator its share of receipts of nontaxable members assignable to this state, as provided herein.

Receipts assignable to this state of each nontaxable member shall be determined based upon the allocation factor that would be applicable to such member if it were a taxable member and shall be aggregated. Each taxable member of the combined group shall include in the numerator of its receipts factor a portion of the aggregate receipts assignable to this state of nontaxable members based on a ratio, the numerator of which is such taxable member's receipts assignable to this state, without regard to this subsection, and the denominator of which is the aggregate receipts assignable to this state of all the taxable members of the combined group, without regard to this subsection.

b. All business income of a combined group engaged in the transportation of freight by air or ground shall be apportioned to this State by multiplying the income by a fraction, the numerator of which is the ton miles traveled by the combined group's mobile assets in this State by type of mobile asset and the denominator of which is the total ton miles traveled by the combined group's mobile assets everywhere. This section applies, if 50 per cent or more of the combined group's entire net income is derived from the transportation of freight by air or ground.

c. In determining the numerator and denominator of the allocation factors of
taxable members, transactions between or among members of the combined group shall be eliminated.

d. The director shall promulgate rules and regulations necessary to carry out the provisions of this section.

7. Section 22 of P.L. 2018, c.48 (C.54:10A-4.10) is amended to read as follows:

22. a. Determination of Managerial Member . If the combined group has a common parent corporation within the meaning of the Corporation Business Tax Act (1945), P.L.1945, c.162 (C.54:10A-1 et seq.), and that common parent corporation is a taxable member of the corporate group, the managerial member shall be the common parent corporation. In other cases, the combined group shall select a taxable member as its managerial member or, in the discretion of the director or upon failure of the combined group to select its managerial member, the director shall designate a taxable member of the combined group as managerial member. Once the election of the managerial member is made, the election shall be binding for 10 successive privilege periods, except as otherwise provided for by the director. The director may prescribe by regulation the appointment of a managerial member under other circumstances that otherwise differ from this subsection to prevent undue harm to the members of the combined group.

b. A combined group shall file a mandatory combined return under this section in the form and manner prescribed by the director. The managerial member of the combined group shall file the mandatory combined return on behalf of the taxable members of the combined group. The managerial member shall be required to file taxable member returns; file taxable member extensions for filing tax returns and other documents with the director; pay taxable member
liabilities; receive taxable member findings, assessments, and notices; make and receive taxable member claims, or file taxable member protests and appeals; and shall be the responsible party liable for filing and paying the tax on behalf of the combined group.

c. The privilege period for the combined group is the privilege period of the managerial member, unless otherwise provided by regulations promulgated by the director. If a member of a combined group has a different fiscal or calendar accounting period from the combined group's privilege period, that member with a different period shall report amounts from its return for its fiscal or calendar accounting year that ends during the group privilege period. The director is authorized to prescribe by regulation the determination of the group privilege period where one of the members of the combined group is subject to different filing requirements of the Corporation Business Tax Act (1945), P.L.1945, c.162 (C.54:10A-1 et seq.) or other regulatory filing requirements under the laws of the State of New Jersey.

d. Each taxable member of a combined group shall be jointly and severally liable for the tax due from any taxable member pursuant to P.L.1945, c.162 (C.54:10A-1 et seq.), whether or not that tax has been self-assessed, and for any interest, penalties, or additions to tax due.

e. If a combined group is eligible to elect the managerial member of the combined group, notice of the election shall be submitted in writing to the director not later than the due date or, if an extension of time to file has been requested and granted, not later than the extended due date of the mandatory combined return for the initial privilege period for which a return is required. The managerial member shall be the designated agent and the responsible person for filing
the combined return and paying the tax for the combined group. If another taxable member is subsequently designated as the managerial member, the subsequent designation shall be subject to the approval of the director.

f. The director is authorized to promulgate regulations with regards to installment payments, estimated payments, overpayments, refunds and any other filing or payment matters related to combined groups filing combined returns.

g. For privilege periods [beginning] ending on and after [January 1, 2019] July 31, 2019 a combined group must file a mandatory combined return. However, if privilege periods of the members of the combined group differ, the first mandatory combined return for the combined group shall be required for the privilege period of the managerial member.

h. The members of a combined group shall notify the director within [90] 120 days of a change in the combined group where a member dissolves, a merger of any kind occurs, a member withdraws from the group, a member ceases doing business, a member of the group is acquired by a third party not in the group, or additional members enter the group which are required to be included.

i. Any notice shall be sent to the managerial member of the combined group at the last known address of the managerial member as indicated on either the last filing required or made under this Chapter or a subsequent electronic or written notice provided by the managerial member under rules prescribed by the director.

j. The director may, at the director’s sole discretion:

(1) make any deficiency assessment against either the
managerial member or a taxable member of the combined group;

(2) refund or credit any overpayment to either the managerial member or a taxable member of the combined group;

(3) require any payment to be made by electronic funds transfer; and

(4) require the mandatory combined return to be filed electronically.

8. Section 23 of P.L. 2018, c.48 (C.54:10A-4.11)

23. a. The managerial member of a combined group may elect to have the combined group determined on a world-wide basis or an affiliated group basis. If no such election is made, the combined group shall be determined on a water's-edge basis and will take into account the incomes and allocation factors of only the following members of the combined group:

(1) each member incorporated in the United States, or formed under the laws of the United States, any state, the District of Columbia, or any territory or possession of the United States, excluding such a member if eighty per cent or more of both its property and payroll during the privilege period are located outside the United States, the District of Columbia, and any territory or possession of the United States;

(2) each member, wherever incorporated or formed, if twenty per cent or more of both its property and payroll during the privilege period are located in the United States, the District of Columbia, or any territory or possession of the United States;

(3) any member that earns more than 20% of its income, directly or indirectly, from intangible property or related service activities that are deductible against the income of other members of the combined group, to the extent
that income and the apportionment factors are related thereto;

(4) each member that is a domestic international sales corporation, as described in sections 991 through 994 of the Federal Internal Revenue Code of 1986, 26 U.S.C. s.991-94, a foreign sales corporation, as described in sections 921 through 927 of the Federal Internal Revenue Code of 1986, 26 U.S.C. s.921-27, or any member that is an export trade corporation, as described in sections 970 through 971 of the Internal Revenue Code of 1986, 26 U.S.C. s.970-71;

(5) each member that is a “controlled foreign corporation,” as defined in Federal Internal Revenue Code section 957, 26 U.S.C. s.957, to the extent of the income of that member that is defined in section 952 of subpart F of the Federal Internal Revenue Code of 1986, 26 U.S.C. s.957, (subpart F income) not excluding lower-tier subsidiaries’ distributions of such income that were previously taxed, determined without regard to federal treaties, and the allocation factors related to that income; any item of income received by a controlled foreign corporation shall be excluded if such income was subject to an effective rate of income tax imposed by a foreign country greater than 90% of the maximum rate of tax specified in section 11 of the Federal Internal Revenue Code of 1986, 26 U.S.C. s.11;

(6) each member that is doing business in a jurisdiction that is determined by the director to be a tax haven for the privilege period, unless it is proven to the satisfaction of the director by a preponderance of the evidence that the member is incorporated in a tax haven for a legitimate business purpose;

(7) each member that has income as defined under the Corporation Business Tax Act (1945), P.L.1945, c.162 (C.54:10A-1 et seq.) and has
sufficient nexus in New Jersey pursuant to section 2 of P.L.1945, c.162 (C.54:10A-2).

(8) any member not described in subdivision (1), (2), or (3) of this subsection shall include its income that is effectively connected, or treated as effectively connected under the provisions of the federal Internal Revenue Code of 1986, with the conduct of a trade or business within the United States and, for that reason, subject to federal income tax.

b. A world-wide election or an affiliated group election is effective only if made on a timely filed, original return for a privilege period by the managerial member of the combined group. Such election is binding for, and applicable to, the privilege period for which it is made and for the five immediately succeeding privilege periods. Provided however, the election can be revoked prior to the expiration of the binding period by written request to the Director of Taxation for reasonable cause including but not limited to a substantial change in ownership, members of the combined group or principal business, or changes in tax law, regulation or policy.

c. If the managerial member elects to determine the members of a combined group on an affiliated group basis, the taxable members shall take into account the entire net income or loss and allocation factors of all of the members of its affiliated group, regardless of whether such members are engaged in a unitary business, that are subject to tax or would be subject to tax under this chapter, if doing business in this State.

d. An election made pursuant to subsection b of this section that is not renewed shall be revoked. In the case of a revocation, a new election under this subsection shall not be permitted in any of the immediately following
three privilege periods. The managerial member shall notify the director within 120 days of any change in the membership of the elective group, including but not limited to, where a member dissolves, a merger of any kind occurs, a member withdraws from the elective group, a member ceases doing business, a member of the elective group is acquired by a third party not in the elective group, the elective group becomes a unitary business with members not included in the elective combined return.

e. “Tax haven” means a jurisdiction that, during the privilege period, has no or only nominal effective tax on relevant income and:

1. has laws or practices that prevent effective exchange of information for tax purposes with other governments on taxpayers benefiting from the tax regime;
2. has a tax regime which lacks transparency. A tax regime lacks transparency if the details of legislative, legal, or administrative provisions are not open and apparent or are not consistently applied among similarly situated taxpayers, or if the information needed by tax authorities to determine a taxpayer’s correct tax liability, such as accounting records and underlying documentation, is not adequately available;
3. facilitates the establishment of foreign-owned entities without the need for a local substantive presence or prohibits these entities from having any commercial impact on the local economy;
4. explicitly or implicitly excludes the jurisdiction’s resident taxpayers from taking advantage of the tax regime’s benefits or prohibits enterprises that benefit from the regime from operating in the jurisdiction’s domestic market; or
5. has created a tax regime which is favorable for tax avoidance, based upon an overall assessment of relevant factors, including whether the
jurisdiction has a significant untaxed offshore financial or other services sector relative to its overall economy. A tax haven does not include a jurisdiction that has entered into a comprehensive income tax treaty with the United States.

f. The director shall promulgate rules and regulations necessary to carry out the provisions of this section.

9. Section 5 of P.L. 1945, c. 162 (C.54:10A-5) is amended to read as follows:

5. minimum tax shall be $2,000 for the privilege period.

For privilege periods ending on or after July 31, 2019, the minimum tax shall be $2,000 for each taxpayer that is a member of a combined group filing a mandatory New Jersey combined return, or is a member of a group filing an elective New Jersey combined return, and the minimum tax reported on the New Jersey combined return shall include the aggregate minimum tax of each of the members of the group.

(f) In lieu of the portion of the tax based on net worth and to be computed under subsection (a) of this section, any taxpayer, the value of whose total assets everywhere, less reasonable reserves for depreciation, as of the close of the period covered by its report, amounts to less than $150,000, may elect to pay the tax shown in a table which shall be promulgated by the director.

10. Section 1 of P.L. 2018, c.48 (C.54:10A-5.41) is amended to read as follows:

1. a. In addition to the tax paid by each taxpayer determined pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5), each taxpayer, except for a public utility, shall be assessed and shall pay a surtax as follows:

(1) For a taxpayer, except a public utility, that has allocated entire net income in excess of $1 million for the privilege periods, beginning on or after January 1, 2018 through December 31, 2019, the surtax imposed shall be 2.5% of allocated entire net income;

(2) For a taxpayer, except a public utility, that has allocated entire net income in excess of $1 million for the privilege periods, beginning on or after January 1, 2020 through December 31, 2021, the surtax imposed shall be 1.5% of allocated entire net income.

b. For purposes of this section, "taxpayer" shall mean any business entity required to report and pay tax for federal income tax purposes, and shall include any business entity subject to tax as provided in the Corporation Business Tax (1945), P.L.1945, c.162 (C.54:10A-1 et seq.).

The surtax imposed under this section shall be due and payable in accordance with section 15 of P.L.1945, c.162 (C.54:10A-15), and the surtax shall be administered pursuant to the provisions of P.L.1945, c.162 (C.54:10A-1 et seq.). Notwithstanding the provisions of any other law to the contrary, no credits shall be allowed against the surtax liability computed under this section except for credits for installment payments, estimated payments made with a request for an extension of time for filing a return, or overpayments from prior privilege periods.
11. Section 10 of P.L. 1945, c. 162 (C.54:10A-10) is amended to read as follows:

10. a. Whenever it shall appear to the director that any taxpayer fails to maintain its records in accordance with sound accounting principles or conducts its business or maintains its records in such manner as either directly or indirectly to distort its true entire net income or its true entire net worth under this act or the proportion thereof properly allocable to this State, or whenever any taxpayer maintains a place of business outside this State, or whenever any agreement, understanding or arrangement exists between a taxpayer and any other corporation or any person or firm, for the purpose of evading tax under this act, or whereby the activity, business, receipts, expenses, assets, liabilities, income or net worth of the taxpayer are improperly or inaccurately reflected, the director is authorized and empowered, in the director's discretion and in such manner as the director may determine, to adjust and redetermine such items, and to adjust items of gross receipts, tangible or intangible property and payrolls within and without the State and the allocation of entire net income or entire net worth or to make any other adjustments in any tax report or tax returns as may be necessary to make a fair and reasonable determination of the amount of tax payable under this act.

b. Where (1) any taxpayer conducts its activity or business under any agreement, arrangement or understanding in such manner as either directly or indirectly to benefit its members or stockholders, or any of them, or any person or persons directly or indirectly interested in such activity or business, by entering into any transaction at more or less than a fair price which, but for such agreement, arrangement or understanding, might have been paid or
received therefor, or (2) any taxpayer, a substantial portion of whose capital stock is owned either directly or indirectly by or through another corporation, enters into any transaction with such other corporation on such terms as to create an improper loss or net income, the director may include in the entire net income of the taxpayer the fair profits which, but for such agreement, arrangement or understanding, the taxpayer might have derived from such transaction. The director may require any person or corporation to submit such information under oath or affirmation, or to permit such examination of its books, papers and documents, as may be necessary to enable the director to determine the existence, nature or extent of an agreement, understanding or arrangement to which this section relates, whether or not such person or corporation is subject to the tax imposed by this act.

c. The director may require that a combined return include the income and associated allocation factor or factors of any taxpayer who is not otherwise included in a combined group on the combined return, but who is a member of a unitary business, in order to reflect proper allocation of income of the entire unitary business. The director may require that a combined return include the income and associated allocation factor or factors of taxpayers that are not corporations.

If the director determines that the reported income or loss of a member of a combined group engaged in a unitary business with any taxpayer not otherwise included in the combined group on the combined return represents an avoidance or evasion of tax by the taxpayer or the combined group member, the director may require all or any part of the income or loss and associated allocation factor or factors of the taxpayer be included in or excluded from the combined return for the unitary business or may require the use
of a different allocation factor or factors. The director may require that a combined return include or exclude the income or loss and associated allocation factor or factors of taxpayers that are not corporations.

The authority granted under this subsection is in addition to, and not a limitation of or dependent on, the provisions in P.L. 1945, c. 162 (C.54:1UA-1 et seq.) enacted to prevent tax avoidance or evasion or to clearly reflect the income of any taxpayer. Any determination by the director under this subsection is presumed correct and the person challenging the determination has the burden of proving by clear and convincing evidence that the determination is incorrect.

12. Section 33 of P.L. 2018, c. 48 is amended to read as follows:

33. This act shall take effect immediately, but section 1 and provisions of section 3 other than provisions amending paragraph (5) of subsection (k) of section 4 of P.L. 1945, c. 162 (C.54:1UA-5) shall be effective for tax years beginning on and after January 1, 2018, sections 2 and only the provisions of section 3 amending paragraph (5) of subsection (k) of section 4 of P.L. 1945, c. 162 (C.54:1UA-5) are retroactive to January 1, 2017, and the remaining sections shall apply to tax years beginning on and after January 1, 2018, provided however that the provisions of this act related to combined reporting and market based sourcing shall apply to tax years [beginning ending on and after] [January 1, 2019] July 31, 2019. Section [35] 32 shall be effective for tax years beginning on and after January 1, 2019.

13. N.J.S.54A:5-1 is amended to read as follows:

54A:5-1. New Jersey Gross Income Defined. New Jersey gross income shall consist of
the following categories of income:

a. Salaries, wages, tips, fees, commissions, bonuses, and other remuneration received for services rendered whether in cash or in property, and amounts paid or distributed, or deemed paid or distributed, out of a medical savings account that are not excluded from gross income pursuant to section 5 of P.L.1997, c.414 (C.54A:6-27).

b. Net profits from business. The net income from the operation of a business, profession or other activity after provision for all costs and expenses incurred in the conduct thereof, determined either on a cash or accrual basis in accordance with the method of accounting allowed for federal income tax purposes but without deduction of the amount of:

(1) taxes based on income;

(2) a civil, civil administrative, or criminal penalty or fine, including a penalty or fine under an administrative consent order, assessed and collected for a violation of a State or federal environmental law, an administrative consent order, or an environmental ordinance or resolution of a local governmental entity, and any interest earned on the penalty or fine, and any economic benefits having accrued to the violator as a result of a violation, which benefits are assessed and recovered in a civil, civil administrative, or criminal action, or pursuant to an administrative consent order. The provisions of this paragraph shall not apply to a penalty or fine assessed or collected for a violation of a State or federal environmental law, or local environmental ordinance or resolution, if the penalty or fine was for a violation that resulted from fire, riot, sabotage, flood, storm event, natural cause, or other act of God beyond the reasonable control of the violator, or caused by an act or omission of a person who was outside the
reasonable control of the violator; and

(3) treble damages paid to the Department of Environmental Protection pursuant to subsection a. of section 7 of P.L.1976, c.141 (C.58:10-23.11f) for costs incurred by the department in removing, or arranging for the removal of, an unauthorized discharge upon the failure of the discharger to comply with a directive from the department to remove, or arrange for the removal of, a discharge.

c. Net gains or income from disposition of property. Net gains or net income, less net losses, derived from the sale, exchange or other disposition of property, including real or personal, whether tangible or intangible as determined in accordance with the method of accounting allowed for federal income tax purposes. For the purpose of determining gain or loss, the basis of property shall be the adjusted basis used for federal income tax purposes, except as expressly provided for under this act, but without a deduction for penalties, fines, or economic benefits excepted pursuant to paragraph (2), or for treble damages excepted pursuant to paragraph (3) of subsection b. of this section.

A taxpayer's net gain or loss on the sale, exchange or other disposition of a share of an S corporation shall be calculated by increasing the adjusted basis of the share by an amount equal to the shareholder's net losses and deductions in respect of the share allowed and deducted from income for federal income tax purposes, not including any personal net operating loss deductions, to the extent that such net losses were not offset by the taxpayer's pro rata share of S corporation income otherwise subject to taxation pursuant to subsection p. of this section in respect of another S corporation, subject to rules of priority and assignment determined by the director.
For the tax year 1976, any taxpayer with a tax liability under this subsection, or under the "Tax on Capital Gains and Other Unearned Income Act," P.L.1975, c.172 (C.54:8B-1 et seq.), shall not be subject to payment of an amount greater than the amount he would have paid if either return had covered all capital transactions during the full tax year 1976; provided, however, that the rate which shall apply to any capital gain shall be that in effect on the date of the transaction. To the extent that any loss is used to offset any gain under P.L.1975, c.172, it shall not be used to offset any gain under the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq.

The term "net gains or income" shall not include gains or income derived from obligations which are referred to in clause (1) or (2) of N.J.S.54A:6-14 of this act or from securities which evidence ownership in a qualified investment fund as defined in section 2 of P.L.1987, c.310 (C.54A:6-14.1). The term "net gains or income" shall not include gains or income derived from the sale or assignment of a tax credit transfer certificate pursuant to section 7 of P.L.2011, c.149 (C.34:1B-248) and section 10 of P.L.2014, c.63 (C.34:1B-251) for any sale or assignment of a tax credit awarded on or before July 1, 2018 regardless of when such credits are sold or assigned. The term "net gains or net income" shall not include gains or income from transactions to the extent to which nonrecognition is allowed for federal income tax purposes. The term "sale, exchange or other disposition" shall not include the exchange of stock or securities in a corporation a party to a reorganization in pursuance of a plan of reorganization, solely for stock or securities in such corporation or in another corporation a party to the reorganization and the transfer of property to a corporation by one or more persons solely in exchange for
stock or securities in such corporation if immediately after the exchange such person or persons are in control of the corporation. For purposes of this clause, stock or securities issued for services shall not be considered as issued in return for property.

For purposes of this clause, the term "reorganization" means—

(i) A statutory merger or consolidation;

(ii) The acquisition by one corporation, in exchange solely for all or part of its voting stock (or in exchange solely for all or a part of the voting stock of a corporation which is in control of the acquiring corporation) of stock of another corporation if, immediately after the acquisition, the acquiring corporation has control of such other corporation (whether or not such acquiring corporation had control immediately before the acquisition);

(iii) The acquisition by one corporation, in exchange solely for all or part of its voting stock (or in exchange solely for all or a part of the voting stock of a corporation which is in control of the acquiring corporation), of substantially all of the properties of another corporation, but in determining whether the exchange is solely for stock the assumption by the acquiring corporation of a liability of the other, or the fact that property acquired is subject to a liability, shall be disregarded;

(iv) A transfer by a corporation of all or a part of its assets to another corporation if immediately after the transfer the transferor, or one or more of its shareholders (including persons who were shareholders immediately before the transfer), or any combination thereof, is in control of the corporation to which the assets are transferred;
(v) A recapitalization;

(vi) A mere change in identity, form, or place of organization however effected; or

(vii) The acquisition by one corporation, in exchange for stock of a corporation (referred to in this subclause as "controlling corporation") which is in control of the acquiring corporation, of substantially all of the properties of another corporation which in the transaction is merged into the acquiring corporation shall not disqualify a transaction under subclause (i) if such transaction would have qualified under subclause (i) if the merger had been into the controlling corporation, and no stock of the acquiring corporation is used in the transaction;

(viii) A transaction otherwise qualifying under subclause (i) shall not be disqualified by reason of the fact that stock of a corporation (referred to in this subclause as the "controlling corporation") which before the merger was in control of the merged corporation is used in the transaction, if after the transaction, the corporation surviving the merger holds substantially all of its properties and of the properties of the merged corporation (other than stock of the controlling corporation distributed in the transaction); and in the transaction, former shareholders of the surviving corporation exchanged, for an amount of voting stock of the controlling corporation, an amount of stock in the surviving corporation which constitutes control of such corporation.

For purposes of this clause, the term "control" means the ownership of stock possessing at least 80% of the total combined voting power of all classes of stock entitled to vote and at least 80% of the total number of shares of all
other classes of stock of the corporation.

For purposes of this clause, the term "a party to a reorganization" includes a corporation resulting from a reorganization, and both corporations, in the case of a reorganization resulting from the acquisition by one corporation of stock or properties of another. In the case of a reorganization qualifying under subclause (i) by reason of subclause (vii) the term "a party to a reorganization" includes the controlling corporation referred to in such subclause (vii).

Notwithstanding any provisions hereof, upon every such exchange or conversion, the taxpayer's basis for the stock or securities received shall be the same as the taxpayer's actual or attributed basis for the stock, securities or property surrendered in exchange therefor.

d. Net gains or net income derived from or in the form of rents, royalties, patents, and copyrights.

e. Interest, except interest referred to in clause (1) or (2) of N.J.S.54A:6-14, or distributions paid by a qualified investment fund as defined in section 2 of P.L.1987, c.310 (C.54A:6-14.1), to the extent provided in that section.

f. Dividends. "Dividends" means any distribution in cash or property made by a corporation, association or business trust that is not an S corporation, (1) out of accumulated earnings and profits, or (2) out of earnings and profits of the year in which such dividend is paid and any distribution in cash or property made by an S corporation, as specifically determined pursuant to section 16 of P.L.1993, c.173 (C.54A:5-14).

The term "dividends" shall not include distributions paid by a qualified investment fund
as defined in section 2 of P.L.1987, c.310 (C.54A:6-14.1), to the extent provided in that section.

g. Gambling winnings.

h. Net gains or income derived through estates or trusts.

i. Income in respect of a decedent.

k. Distributive share of partnership income, excluding the gain or income derived from the sale or assignment of a tax credit transfer certificate pursuant to section 7 of P.L.2011, c.149 (C.34:1B-248) and section 10 of P.L.2014, c.63 (C.34:1B-251) for the sale or assignment of a tax credit awarded on or before July 1, 2018 regardless of when such credits are sold or assigned.
1. Amounts received as prizes and awards, except as provided in N.J.S.54A:6-8 and N.J.S.54A:6-11 hereunder.

m. Rental value of a residence furnished by an employer or a rental allowance paid by an employer to provide a home.

n. Alimony and separate maintenance payments to the extent that such payments are required to be made under a decree of divorce or separate maintenance but not including payments for support of minor children.
