**ASSEMBLY COMMITTEE SUBSTITUTE FOR
ASSEMBLY BILL NO. 4061**

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14 of the New Jersey Constitution, I am returning Assembly Committee Substitute for Assembly Bill No. 4061 with my recommendations for reconsideration.

I am very pleased to have reached a deal with my partners in the Legislature concerning the Fiscal Year 2019 State budget and supporting revenue bills. Our agreed upon spending plan implements almost all of the investments in New Jersey's future that I recommended to the Legislature in March. I thank the Legislature for including all of these important priorities in the State's spending plan for Fiscal Year 2019. With the budget I signed this evening, we are truly building a stronger and fairer New Jersey.

This bill would impose a small surcharge on prearranged rides and is very similar to a recommendation included in my budget recommendations to the Legislature in March. My recommended changes would adjust the surcharge level and create parity for residents of all counties in the State of New Jersey. These revisions would also impose a nominal increase on the existing surcharge on motor vehicle or traffic violations dedicated to the New Jersey Forensic DNA Laboratory Fund, consistent with the terms of the Fiscal Year 2019 budget deal struck with legislative leadership.

Therefore, I herewith return Assembly Committee Substitute for Assembly Bill No. 4061 and recommend that it be amended as follows:
