

A Review of the Open Public Records Act (OPRA), Daniel's Law Redaction System, and Records Management Policy

Government Records Council's 16th Annual OPRA Seminar

**Thursday, December 12, 2024
Virtual via Microsoft Teams Webinar**

9:15 AM – 9:30 AM Official Welcome and Announcements

9:30 AM – 12:00 PM Presenter: Frank F. Caruso, Executive Director
Government Records Council ("GRC")

This presentation will assist government employees, governing bodies, and members of the public to understand the mandatory requirements of the Open Public Records Act (OPRA) as updated through P.L. 2024, c.16.

12:00 PM – 1:00 PM Lunch Break

1:15 PM – 2:15 PM Presenter: Robert Feher, Esq., Acting Director
Office of Information Privacy

This presentation will give a brief overview on Daniel's Law, how covered persons can register, how redactors can register for and operate the OIP's new Daniel's Law redaction system, and updates to that system.

2:30 PM – 3:30 PM Presenter: Karen Perry, Records Analyst 1
Records Management Services

This presentation provides an overview of the imaging certification, retention and destruction policies associated with electronic public records.

Registration for this event is required.
