### **Other Resources:**

The Center for Disease Control’s National Program of Cancer Registries (NPCR) offers educational materials at <http://www.cdc.gov/cancer/npcr/training/>.

There are college programs available that offer cancer registry courses, in-person and online. Go to [www.ncra-usa.org](http://www.ncra-usa.org), click on “Education”, then on “Schools” for a complete, nationwide listing.

SEER has designed an educational data base, called “SEER Educate” which can be used by both new registry professionals and those seasoned personnel who may wish to sharpen their skills or earn extra Continuing Education Units (CEUs) as designated by the NCRA. Please go to <https://educate.fhcrc.org/LandingPage.aspx> for more information.
