Re: **Notice of Summary Suspension:  
Paramedic Certification # 3517 (EMS ID # 536203)  
Investigation Control # 2017-0118V**

Dear Mr. Marano:

The New Jersey Department of Health (Department) is vested with the responsibility of carrying out the provisions of N.J.S.A. 26:2K-7, et seq., which govern the provision of advanced life support services within the State of New Jersey, and the Health Care Facilities Planning Act, N.J.S.A. 26:2H-1, et seq., which was enacted, in part, to ensure that all hospital and related health care services rendered in the State of New Jersey are of the highest quality. As defined at N.J.S.A. 26:2H-2b, health care services include any pre-hospital care rendered by paramedical and ambulance services. These laws establish a scheme that permits certain individuals, once certified, to perform basic life support and/or advanced life support services. In furtherance of the objectives set forth in the statutes, the Department of Health has adopted regulations that govern the training, certification and professional conduct of Emergency Medical Technicians (EMT) and Mobile Intensive Care Paramedics (MICP). See N.J.A.C. 8:40A-1.1, et seq. and N.J.A.C. 8:41A-1.1, et seq.

The Department's Office of Emergency Medical Services (OEMS) received notification that you were charged with possession and distribution of child pornography and aggravated assault of a law enforcement officer by Ocean County Prosecutor's Office. Consistent with regulatory authority and OEMS policy, the OEMS opened an investigation in response to this notification.

Upon opening the investigation, the OEMS investigator confirmed that you are currently certified as an EMT and MICP. The investigator also confirmed that on or about September 26, 2017, you were charged with the following under complaint number W-2017-000609:

1. Two counts of endangering the welfare of a minor, in violation of N.J.S.A. 2C:24-4(b)(5)(a)(i) and N.J.S.A. 2C:24-4(b)(5)(b); and

2. One count of aggravated assault, which is in violation of N.J.S.A. 2C:12-1(b)(10).

Specifically, the complaint states that you were arrested for possession of images of child pornography on a laptop computer and multiple CD-Rs. In addition, you displayed a loaded handgun to the police when they entered your residence with a search warrant.

As you are aware, MICPs work in unsupervised, two-person teams in order to respond effectively to emergencies. The provision of emergency care requires MICPs to have close, hands-on contact with vulnerable patients ranging from infants to senior citizens. Indeed, MICPs are not afforded the option of picking and choosing their patients -- they must be ready and able to render care to all patients, regardless of age, when they respond to an emergency call. Even more, MICPs must exercise good judgment, trust each other and be trusted by the public, police officers, fire fighters, doctors and other professionals in order to be effective. In short, MICPs must be law-abiding and must be trusted to care for all patients in an appropriate, safe manner.

Based upon the foregoing, the Department has determined that your EMT and MICP certifications must be **summarily suspended**. Pursuant to N.J.A.C. 8:41A-5.2(a), “[t]he Commissioner, or his or her designee, may summarily suspend a person’s Paramedic certification when, in his or her opinion, the continued certification of that person poses an immediate or serious threat to the public health, safety or welfare.” See also N.J.A.C. 8:40A-10.2 (stating that an individual’s EMT certification may be summarily suspended if the person poses a serious or immediate threat to public safety, welfare or health). Because you have been charged with serious crimes, the nature of which are not only indicative of poor judgment and lack of trustworthiness but also evidence that you pose a threat to vulnerable, minor patients, the Department finds that your continued certification as an EMT and as a MICP constitutes an immediate and serious threat to public health, safety, and welfare. **Therefore, your certifications as an EMT and MICP are immediately suspended and shall remain suspended until such time as the Department has completed its investigation into this matter and the charges against you have been resolved. You may not, under any circumstances, act in the capacity of, or perform the duties of an EMT or MICP in New Jersey during this period of suspension.**

In accordance with N.J.A.C. 8:41A-4.1(f)(2) and N.J.A.C. 8:40A-7.1(f), certification cards are the property of the Department and shall be immediately surrendered upon demand. You are hereby directed to immediately surrender your EMT and MICP certification cards to the OEMS, either by sending via United States Postal Service First Class Mail, to the address on the first page of this Notice, or by physical delivery to Department of Health, OEMS, John Fitch Way, Market and Warren Streets, Trenton, NJ, 08611.

In the interim, the OEMS will continue to investigate this matter and monitor the progression of your criminal case. After OEMS completes its investigation and the

charges lodged against you have been resolved, you will be advised of what action(s), if any, OEMS will take with respect to your EMT and MICP certifications.

Pursuant to N.J.A.C. 8:41A-5.2(a), N.J.A.C. 8:40A-10.3(a) and N.J.A.C. 1:1-12.6, you have the right to appeal to the Commissioner of the Department of Health for emergency relief to contest this summary suspension. A request for emergency relief shall be submitted in writing and shall be accompanied by a response to the charges contained in this Notice. Please include the control number **2017-0118V** on your correspondence, and forward your request to:
