RE: **Summary Suspension**  
Natesha Allen  
Certification # NA 200010709

Enclosed is an Order of Summary Suspension, issued under authority of N.J.A.C. 8:39-43.5(b). Specifically, on June 12, 2014 you were observed on video surveillance abusing a resident who was attempting to get up by forcibly pushing her back down in a chair at least three times; and, by roughly walking this same resident sideways back to her chair, causing the resident to stumble, fall and subsequently sustain serious injury. You also neglected the same resident by failing to provide her with her walker to ambulate. In addition, on June 26, 2017, the Department received notification from Raritan Township Municipal Court, whereby, you were charged with neglect to do an act necessary for the physical or mental health of the resident, in violation of N.J.S.A 2C:24-8, and, for falsifying a record for the purpose to conceal any wrongdoing, in violation of N.J.S.A 2C:21.

As of your receipt of this Order, your nurse aide certification is no longer valid. However, you have thirty (30) days from the date you receive this notice to appeal this summary suspension to the Commissioner of the Department of Health, as set forth in the enclosed Order. Please review the Order carefully, as failure to submit a written request for emergency relief within 30 days from the date of receipt of this Order shall be interpreted as an acceptance of this Department's decision to summarily suspend your nurse aide certification pending completion of the investigation, thereby forfeiting all rights to emergency relief.

Should you have any questions regarding this Order, please contact Lisa King in the Office of Program Compliance at (609) 984-8128.

Sincerely,
