RE: Notice of Revocation of Nurse Aide Certification
Nurse Aide No.: 8200296
OPC No: 20-12881

Ms. Thompson:

The Centers for Medicare and Medicaid Services (CMS) of the U.S. Department of Health and Human Services, under authority of federal law, imposes a requirement on state governments to ensure that nurse aides have the education and clinical skills necessary to care for residents of long term care facilities. See 42 C.F.R. Part 483. These regulations also require that each State maintain a nurse aide Registry, which, pursuant to 42 CFR 483.156(c)(1)(iv), must contain all substantiated findings by the State of resident mistreatment, abuse, neglect, or misappropriation of resident property by a certified nurse aide.

The Certification Program of the New Jersey State Department of Health ("Department") was notified of information that you abused a resident of a long-term care facility, which occurred on or about November 14, 2019, while you were employed as a certified nurse aide at Virtua Health and Rehabilitation Center, in Berlin, New Jersey. Specifically, it is alleged that on November 14, 2019, you raised your voice, used profane language and physically threatened a resident.

On September 30, 2020, the Department sent you a Notice of Right to Hearing. Based on the aforementioned abuse, and your failure to request a hearing, the Department has revoked your nurse aide certification on the New Jersey Registry. **This is a permanent revocation.** Please forward your nurse aide certificate and nurse aide wallet card to the address below, as they are no longer valid.

You are entitled to submit a written statement contesting the findings noted above. This statement will be maintained on the Registry. If you wish to submit such a statement, you must do so within 20 days of receipt of this letter. Your letter should reference "Notice of Revocation of Nurse Aide Certificate." Please mail this statement to:

Office of Program Compliance-Reporting
P O Box 358
Trenton, NJ 08625-0358

**Please be advised that the status of your certification on the New Jersey Nurse Aide Registry is
revoked and will remain revoked permanently.**

Sincerely,

Lisa King, M.S., J.D.
