RE: Hansun Cho
Order for Forfeiture of State Certification
NA 200005890
OPC No: 20-13100

The Centers for Medicare and Medicaid Services (CMS) of the U.S. Department of Health and Human Services, under authority of federal law, imposes a requirement on state governments to ensure that nurse aides have the education and clinical skills necessary to care for residents of long term care facilities. See 42 C.F.R. Part 483. These regulations also require that each State maintain a nurse aide Registry, which, pursuant to 42 C.F.R. 483.156(c)(1)(iv), must contain all substantiated findings by the State of resident mistreatment, abuse, neglect, or misappropriation of resident property by a certified nurse aide.

The Certification Program of the New Jersey State Department of Health (Department) was notified that Mr. Cho agreed to the permanent forfeiture of his state certification, as per the attached Order for Forfeiture of State Certification by the Superior Court of New Jersey, Bergen County – Law Division, Accusation No. A-0328-08-20.

Therefore, please be advised that Mr. Cho's certification status has been changed to Revoked as of August 21, 2020 and will permanently remain revoked on the nurse aid Registry.

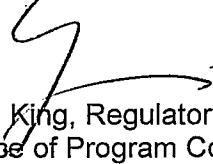

Please surrender Mr. Cho's nurse aide certificate and wallet card to:

Office of Program Compliance-Reporting
120 South Stockton Street, 3rd Floor
PO Box 358
Trenton, NJ 08625-0358

The certificate and the wallet card are no longer valid, and the status of Mr. Cho's nurse aide certification is now revoked.

Please be advised that pursuant to N.J.A.C. 8:39-43.1(a)(1), only individuals who maintain a currently valid nurse aide certificate and are registered in good standing on the Registry are considered by the Department to be competent to work as a nurse aide in a licensed long term care facility. A certified nurse aide is no longer registered in good standing if their certification is revoked. Therefore, Mr. Cho is prohibited from employment as a certified nurse aide in a licensed long-term care facility.

Sincerely,

Lisa King, Regulatory Officer
