IN RE: Licensure Violation)
 NJ Facility ID # NJ10906) Notice of Intent to Initiate
 Medicaid Offset

TO: Felicia Karsos, CEO
 Meadowlands Hospital Medical Center
 55 Meadowlands Parkway
 Secaucus, N.J. 07094

On July 21, 2017, the Department of Health (Department) issued a Notice of Assessment of Penalties to Meadowlands Hospital Medical Center (Meadowlands), notifying the hospital that a penalty, in the amount of \$36,000, is assessed against the hospital for failure to submit its 2014 Annual Audited Financial Statement, pursuant to CN Condition 11(c). To date, Meadowlands has not paid that assessed penalty.

Therefore, pursuant to N.J.A.C. 8:31B-5.1, the Department hereby gives Meadowlands notice that it intends to request that the Division of Medical Assistance and Health Services, Department of Human Services, apply an offset in the amount of \$36,000 to the hospital's Medicaid payments to collect the outstanding assessment, which is a regulatory debt.
