**RE: Lifting of Curtailment of Admissions**  
Facility ID # NJ04A005

Dear Mr. Angel,

As you were advised yesterday by John A. Calabria and Lisa King, the Department has lifted the curtailment of admissions that was ordered by the Department on September 1, 2017.

The curtailment was lifted effective as of February 14, 2018. This action was taken based on a recommendation from Health Facilities Survey and Field Operations and is based on the continued engagement of an RN Consultant for twenty (20) hours per week as well as an Administrator Consultant for twenty (20) hours per week.

Please call (609) 984-8128 if you have any questions regarding the lifting of the curtailment.

Sincerely,

Gene Rosenblum, Director
