Re: Lifting of Order to Cease and Desist

Dear Dr. Dornfeld,

Please be advised that the Department is lifting the Order to Cease and Desist all Hyperbaric Chamber procedures which was issued to Family Wellness Center on July 25, 2018.

The Cease and Desist Order is lifted effective as of August 31, 2018. The Department has determined that licensure is not required based on your representation that Family Wellness Center uses low-pressure fabric hyperbaric chambers operating at less than 1.4 A.T.A. without supplemental oxygen and does not provide hyperbaric oxygen therapy. Please be further advised that licensure will be required before Family Wellness Center may provide hyperbaric oxygen therapy.
