RE: Modification of Directed Plan of Correction (DPOC)
Facility ID # NJ 61628

Dear Ms. Bautista,

As recommended by the Department’s Communicable Disease Service (CDS), and Division of Health Facility Survey and Field Operations (HFS&FO), the Department has determined that certain requirements of the Directed Plan of Correction (DPOC) and Curtailment, which was ordered on November 14, 2018 and revised November 16, 2018 are hereby modified as set forth below.

MODIFICATION OF DIRECTED PLAN OF CORRECTION:

1. The Department is requiring Wanaque to continue to employ the consulting services of a Certified Infection Control Practitioner (hereinafter “ICP”), however, the hours may be reduced as follows: the ICP shall be on-site for no less than 20 hours per week, with documented coverage of all shifts and weekends.

2. The Department is also requiring Wanaque to continue to employ the consulting services of a Physician who is Board-certified in Infectious Disease or Infectious Disease Board-certified Physicians in a Physician practice, (hereinafter “I.D.”), however, the hours may be reduced as follows: the ID shall be on-site for no less than 20 hours per week.

All other requirements of the DPOC and Curtailment remain in effect.

Modification of DPOC

Please be advised that the Curtailment and DPOC shall remain in place until Wanaque is otherwise notified by the Department.

Failure to comply with any State regulations and/or with this Order will result in the imposition of further enforcement remedies, including but not limited to, civil monetary penalties, and may include summary suspension and/or license revocation.

Thank you for your attention to this important matter and for your anticipated cooperation. Should you have any questions concerning this revised order, please contact Lisa King, Office of Program Compliance at (609) 984-8128.

Sincerely,
