**RE: Partial Lifting of Directed Plan of Correction**  
Facility ID# NJ15C000

Dear Ms. Kaylor:

Based upon the recommendation of the Division of Health Facility Survey and Field Operations, the Department has determined that the January 11, 2019 Directed Plan of Correction (DPOC) requirement that the facility retain the consulting services of a Registered Dietitian is no longer necessary, and this requirement is therefore lifted, effective immediately.

Except as specified herein, the DPOC and Curtailment of Admissions, which were imposed on January 11, 2019 and clarified and modified on February 7, 2019, shall remain in place until the program is otherwise notified by this Department.

Please call 609-984-8128 if you have any questions regarding the curtailment or DPOC.

Sincerely,

Gene Rosenblum, Director  
Office of Program Compliance  
Division of Certificate of Need and Licensing
