**RE: Lifting of Curtailment of Admissions and  
Directed Plan of Correction  
Facility ID# NJ04A005**

Dear Mr. Angel:

Based upon the recommendation of the Division of Health Facility Survey and Field Operations after a revisit conducted on April 2, 2019, the Department has determined that the January 11, 2019 Curtailment of Admissions and the remaining Directed Plan of Correction (DPOC) requirement that the facility retain the consulting services of a Certified Assisted Living Administrator (CALA) is no longer necessary, and the Curtailment and DPOC requirement are therefore lifted, effective immediately.

Please call 609-984-8128 if you have any questions regarding the lifting of the curtailment or DPOC.

Sincerely,

Gene Rosenblum, Director  
Office of Program Compliance  
Division of Certificate of Need and Licensing
