RE: Directed Plan of Correction
Facility ID# NJ35A000

Dear Ms. Gossner:

This will confirm today's telephone call between you, me and staff of the Division of Certificate of Need and Licensing, Office of Program Compliance, of the Department of Health (the Department), wherein the Department lifted the Directed Plan of Correction issued on April 11, 2019, and clarified by the April 18, 2019 notice. The DPOC required the facility to retain the full-time consulting services of a Certified Assisted Living Administrator (CALA) or Licensed Nursing Home Administrator (LNHA), and a Registered Dietitian (RD).

Sincerely,

Gene Rosenblum, Director
