**RE: Curtailment of Admissions and DPOC Orders  
Facility ID No. NJ SIPFEP  
Control No. X21042**

Dear Ms. Dickinson:

As we discussed by telephone on December 22, 2022, please be advised that the Curtailment of Admissions and Directed Plan of Correction(DPOC) imposed on September 21, 2022, is fully lifted as of December 20, 2022.

The Department previously lifted the Curtailment of Admissions and partially lifted the Directed Plan of Correction on September 23, 2022 leaving in place the portion of the DPOC that all residents be removed from the contaminated areas of the facility.

You may contact me at (609) 376-7746 for questions regarding this matter.

Sincerely,
