RE: **Curtailment of Services**  
Facility ID # NJ31C0001070  
License #31C0001070

Dear Ms. St. John:

This will confirm our telephone conversation on April 25, 2023, during which the Department of Health (Department) lifted the curtailment imposed on the Surgery Center of Cherry Hill (Facility) on March 17, 2023. The curtailment was partially lifted by the Department on April 6, 2023, in which the Facility was permitted to continue its use of sterilized equipment to perform cataract surgeries, but the curtailment of all other services remained in effect. By virtue of this order, the Facility may resume all services involving the use of sterilized instruments **effective April 25, 2023**.

Thank you for your attention to this important matter and for your cooperation. Should you have any questions concerning this order please contact Lisa King Office of Program Compliance at (609) 376-7742.

Sincerely,

Lisa King, Regulatory Officer
