On January 16, 2025, the New Jersey Department of Health (the Department) issued to Crystal Lake Healthcare and Rehabilitation a verbal order curtailing new admissions to the facility and a verbal Directed Plan of Correction due to violations identified by Department surveyors that constituted an immediate and serious risk of harm to facility residents. On January 22, 2025, the Department memorialized both verbal directives in a written order. This order confirms that the Department has lifted the Curtailment of New Admissions and Directed Plan of Correction effective immediately.

Thank you for your attention to this important matter and for your anticipated cooperation. If you have any questions concerning this order, please contact Lisa King, Office of Program Compliance, at Lisa.King@doh.nj.gov.
