On November 14, 2024, the New Jersey Department of Health (the Department) issued to Medford Care Center a verbal order curtailing new admissions and readmissions to the facility and a Directed Plan of Correction due to violations identified by Department surveyors that constituted an immediate and serious risk of harm to facility residents. On November 15, 2024, the Department memorialized both verbal directives in a written order. This order confirms that effective immediately the Department is lifting the curtailment of readmissions. **The curtailment of new admissions remains in effect.**

Thank you for your attention to this important matter and for your anticipated cooperation. If you have any questions concerning the Curtailment of Admissions and Readmissions Order or Directed Plan of Correction, please contact Lisa King, Office of Program Compliance, at [Lisa.King@doh.nj.gov](mailto:Lisa.King@doh.nj.gov).
