In Re Licensure Violation:

MEDFORD CARE CENTER

(NJ Facility ID# NJ60313)

ORDER PARTIALLY LIFTING OF DIRECTED PLAN OF CORRECTION

TO:

Tinu Thomas, Administrator Medford Care Center 185 Tuckerton Road Medford, New Jersey 08055

medfordcare060313@medfordcare.com

On November 14, 2024, the New Jersey Department of Health (the Department) issued to Medford Care Center a verbal order curtailing new admissions and readmissions to the facility and a Directed Plan of Correction due to violations identified by Department surveyors that constituted an immediate and serious risk of harm to facility residents. On November 15, 2024, the Department memorialized both verbal directives in a written order. On February 10, 2025, the Department lifted the curtailment of readmissions, but the curtailment of new admissions and the Directed Plan of Correction remained in effect. Effective immediately, the Department is now lifting the Directed Plan of Correction requirement that the facility retain a consultant dietitian. The curtailment of new admissions and the remainder of the Directed Plan of Correction remain in effect.

Thank you for your attention to this important matter and for your anticipated cooperation. If you have any questions concerning this order, please contact Lisa King, Office of Program Compliance, at Lisa.King@doh.ni.gov.

Sincerely,

Gene Rosenblum, Director Office of Program Compliance
