Dear Ms. Palicas,

On December 5, 2025, the Department of Health (hereinafter, "the Department") issued a Curtailment and Directed Plan of Correction (DPOC) order requiring Montclair Manor (hereinafter, "Montclair" or the "facility") to immediately stop new admissions of residents, and retain the services of both an Administrator Consultant and a Director of Nursing (DON) consultant. These enforcement actions were taken due to violations identified by Department surveyors that posed an immediate and serious risk of harm to participants.

As you were notified orally on March 25, 2026, and effective on that date, the Department has lifted the December 5, 2025, Curtailment of Admissions and Directed Plan of Correction Order.
