**RE: Partial Lifting of Curtailment of Surgical Procedures and Services**  
Facility ID # NJ31C0001066  
License # R24590

Dear Ms. Bruno:

This will confirm our telephone conversation today during which the Department advised you that the March 16, 2022, curtailment of surgical procedures and services is partially lifted, effective immediately, to allow the facility to proceed with cataract removal surgical procedures and services only. The curtailment remains in effect as to other surgical procedures and services until further notice.

Please be advised that only after the Department receives confirmation from Survey that the facility has corrected all of the infection control deficiencies will the Department consider lifting the remainder of the curtailment.

Please call Lisa King at (609) 376-7751 if you have any questions regarding this curtailment.

Sincerely,
