In Re Licensure Violation:

Serenity Gardens at Brick
 (NJ Facility ID #NJ D3501)

ORDER LIFTING
 DIRECTED PLAN
 OF CORRECTION

TO: Julie Treadway, Administrator (julie@serenitygardensatbrick.com)
 320 Herbertville Road
 Brick, New Jersey 08724

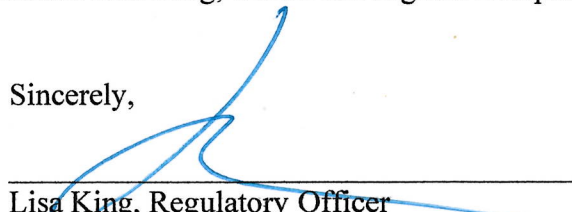

On January 12, 2023, the Department of Health (hereinafter “the Department”) issued a verbal order curtailing all admissions to Serenity Gardens at Brick dementia care facility (hereinafter “Serenity Gardens”), excluding readmissions. On January 13, 2023, the Department issued a written order for a Directed Plan of Correction (hereinafter “DPOC”), requiring Serenity Gardens to hire an Administrator Consultant and an infection control practitioner (ICP), and to suspend its certified medication aide program.

On February 2, 2023, the Department informed Serenity Gardens that the curtailment of admissions was lifted. In addition, part of the DPOC was lifted which required the facility to suspend its certified medication aide program and its use of the consultant administrator, while the portion of the DPOC which required the facility to use a consultant ICP was maintained.

By virtue of this written order, the Department hereby lifts the portion of the DPOC requiring Serenity Gardens to use a consultant ICP.

Thank you for your attention to this important matter and for your anticipated cooperation. Should you have any questions concerning this order, please contact Lisa King, Office of Program Compliance, at (609) 376-7751.

Sincerely,
