On June 4, 2025, the New Jersey Department of Health (the Department) issued to Oakland Rehabilitation and Healthcare Center a verbal order curtailing new admissions to the facility and a Directed Plan of Correction due to violations identified by Department surveyors that constituted an immediate and serious risk of harm to facility residents. On June 9, 2025, the Department memorialized both verbal directives in a written order. This order confirms that effective immediately the Department is lifting the curtailment of admissions. **The Directed Plan of Correction remains in effect.**

Thank you for your attention to this important matter and for your anticipated cooperation. If you have any questions concerning the Order Lifting Curtailment of Admissions Order or the Directed Plan of Correction, please contact Lisa King, Office of Program Compliance, at Lisa.King@doh.nj.gov.
