

## Access to Quality Care

### HIT Subcommittee

2/24/2022

Members Present: Karen Acker, Mackenzie, Carey

Members Absent: Nida Adil Shaik, Christine Malpica

Start Time: 12:00 PM; End Time: 12:45 PM

#### Discussion/Agenda

- Subcommittee discussed whether there were other members we could bring onto the committee since it is rather small group. We are going to reach out to Maria at DOH to see if we can bring over some members from other committees
- Discussed the availability of resources on Microsoft Teams and went through some of the resources/documents available.
- Discussed the use of Zoom platform for future meetings.
- Discussed meeting time/date will be 3rd Thursday of the month at 12:00 pm. However, next month's meeting will be March 24<sup>th</sup>.
- Next steps will be for each Member to come up with a goal that we can discuss at the next meeting and narrow down.
- Initial discussion of (2) goals related to having good/unduplicated data across the continuum of care, as well as the availability of telehealth for residents. There is a problem solving document in Microsoft Teams that members can use to help assist them as they work through their goal.
