Website launch

NJDOH launched the new HN2030 website in July 2019. The site contains tools, resources, and information about the development process and team structure.

Health & Well-Being

HN2030's vision is a society in which all people can achieve their full potential for health and well-being across the lifespan.

What happens to Healthy NJ 2020?

It keeps going! All the topic areas, objectives, and targets established in 2011 will continue to be tracked through the 2020 data year and the current website will continue to be maintained until a final HNJ2020 assessment is published.
