**Location:**
Division of Epidemiology, Environmental and Occupational Health Communicable Disease Service/ Vaccines for Children Program
135 East State Street, Trenton, NJ 08625

GENERAL DESCRIPTION

Under the direction of the Vaccines for Children (VFC) Program Coordinator:

Supervise and train VFC program staff (Public Health Representatives) in the collection, tabulation, and analysis of data obtained from VFC providers in compliance with CDC’s vaccine usage and accountability/storage and handling procedures. Establish individual job responsibilities as statements of broad, general duties that must be met to accomplish the VPD Program’s purpose(s) or objective(s). Responsible developing and enforcing subordinate staff activities and providing disciplinary/corrective actions as necessary. Maintain e-PARs and ECATS for subordinate staff.

Provide overall program guidance (as established by CDC and/or VPD leadership) for VFC field operations. Develop/maintain SOPs as they relate to field operation activities. Evaluate processes and protocols to ensure efficiency. Review CDC PEAR online database to establish gaps in compliance, training/policy and effectively address identified areas within the unit.

Develop VFC site visit schedules for PHRs and coordinate VFC activities to ensure provider compliance with CDC’s VFC Operations Manual. Provide necessary follow-up with PHRs and providers to complete site visit folders within the identified time frames.

Supervise and/or be the lead representative to address provider corrective and follow-up actions. Monitors and supervises compliance and restitution actions against public and private VFC enrolled providers. Responsible for tracking and managing multiple complex restitution/corrective actions and representing the program to providers regarding decisions/follow-up actions. Function as the program liaison with other public entities/agencies in the course of restitution actions and update program leadership as required.

Participate in VFC site visits as necessary.

Prepare annual Centers for Disease Control and Prevention (CDC) surveys, annual reports, monitors, assesses and reviews provider CoCasa data, assists and coordinates annual federal audit documentation.

Serve as subject matter expert for after-hours calls and duties as assigned.

Experience in the management or supervision of complex corrective actions, immunization activities and/or medical provider oversight preferred.

REQUIREMENTS (EDUCATION / EXPERIENCE / LICENSES)

EDUCATION: Graduation from an accredited college or university with a Bachelor’s degree.

EXPERIENCE: Four (4) years of experience in a health or social service related program which shall have included responsibility for interviewing, investigating, and/or conducting public health care surveys or patient care services, two (2) years of which shall have been in a supervisory capacity.

NOTE: Applicants who do not possess the required education may substitute additional experience as indicated on a year-for-year basis with thirty (30) semester hour credits being equal to one (1) year of experience.

LICENSE: Appointee will be required to possess a driver’s license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.
